Program/Services Description - Social Determinants of Health

Healthcare Access & Quality (Access to Health Care, Access to Primary Care, Health Literacy)

Program Goal & Objectives

The program goal is to provide at least 20 families dealing with cancer with mental health resources to help them in their cancer journey.

Program Outcomes & Measurables

We have introduced the program to our clients and started education and outreach about the program. We anticipate growing the program in the next quarter. 1. Provide 20 families in the FRHD with one on one counseling services within 12 months. We provided two families with eight total sessions this quarter.
