

Request for Proposals (RFP)

Fallbrook Regional Health District is seeking construction engineering services for a sidewalk project located at 624 East Elder in Fallbrook, California.

Interested and qualified firms will be asked to submit the following:

1. Letter of Response which includes the principal of the firm authorized contractually to complete the work.
2. Consultant's or firms name and address along with sufficient information regarding qualifications and abilities to complete this project; which includes an email address.
3. A certificate of insurance
4. Proof of Licenses/Certificates in the State of California
5. A statement of similar projects, staff experience and abilities which includes pertinent details to describe work experience.
6. Proposal must describe at minimum three (3) projects of similar size, scope and complexity completed within the last five (5) years.
7. Sufficient workers compensation coverage for all workers and obligations imposed by state/county law.

If interested, qualified firms are required to submit five (5) copies of the letter of response attention to:
