Organization's Mission Statement	To enable young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.
Organization's Vision Statement	To provide a world-class Club experience that assures success is within reach of every young person who enters our doors, with all members on track to graduate from high school with a plan for the future, demonstrating good character and citizenship and living a healthy lifestyle.
Organization History & Accomplishments	Boys & Girls Clubs of North County was established in the Fallbrook community in 1962. In our 62-year history, we have grown from a single site to now serving over 2,500 youth in Fallbrook, Bonsall, Rainbow, and Deluz. Boys & Girls Clubs of North County is a member organization of Boys & Girls Clubs of America, a federation, which provides technical assistance, training, program development, and other resources, along with standards for member organizations. Boys & Girls Clubs of North County began as the Boys Club of Fallbrook and later changed its name to better reflect the population and communities we serve. Programs were operated out of our clubhouse on Ivy Street until expansion began in 2005. Four new sites were added on school grounds in collaboration with Fallbrook Union Elementary School District. In 2015 we opened a site at Mae Ellis Elementary and added another at La Paloma Elementary in 2017. In 2019 a site was established at Turnagain Ars apartments, in collaboration with Community Housing Works and Better World Foundation. In 2020 two sites were established at Camp Pendleton schools, May Fae Pendleton, and San Onofre. In 2021 we expanded our partnership with Palomar Family Counseling to include services at four of our school sites every week. In 2022 we expanded our partnership with FUESD by significantly increasing the number of youths we could serve at each site and adding a wider variety of program offerings, including specialized programs with outside vendors. In 2023 we expanded our partnership with the Vallecitos and Bonsall School District and serve each district with a wide variety of programs and services. Boys & Girls Clubs of North County has been recognized by BGCA with numerous awards of youth attendance, marketing, and board strength.
Program Name/Title	Water Safety
Brief Program Description	The Summer Water Safety Program is held during the 10 weeks of summer break and consists of swimming lessons and a water safety program. Lessons are taught by certified lifeguards, with water safety included. Water Safety is also provided to youth in our daily open swim program.
Is this a new initiative/service or established program within your organization?	Established Program

Did this program receive FRHD CHC - Grant funding last funding cycle (FY 23.24).

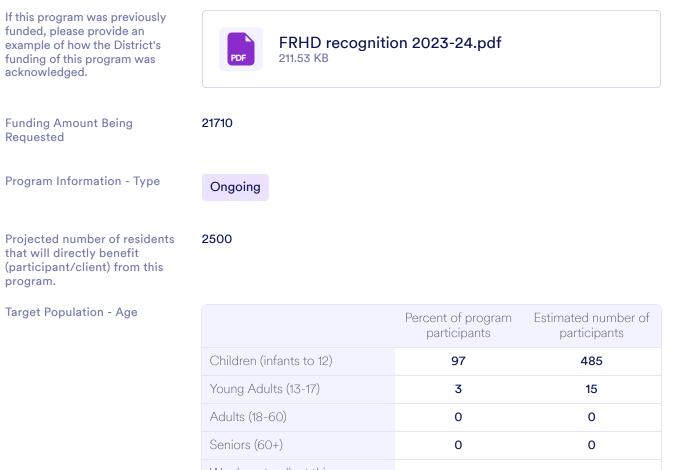

YES

Describe the impact of the program to date. Briefly explain how the service/intervention has worked - include cumulative metrics from the Q1 and Q2 Impact reports.

coordination skills, water safety, and so much more. In the Summer of 2023, the Club's Summer Water Safety Program directly benefited 516 participants. These children received swimming lessons and a water safety program. Of the 516 participants, 97% fell into the under 12-year-old category with 3% between the ages of 13-17 years old. Of our participants 49% are female and 51% are male. 95% of the participants were low, very low, or extremely low in the income limits category with only 5% being higher than listed limits. The program is taught in English and Spanish as many of our participants speak English as a second language. Lessons are taught by certified lifeguards and water safety is taught as a class and provided to participants daily during open swim. Learning an athletic activity they can participate in for life, is invaluable, and physical activity has proven to prevent obesity and its side effects as well as prevent diabetes. Parents have expressed their gratitude to the Club for being able to offer affordable swimming lessons to the local communities. Other parents are thankful our trained staff can help their children with developmental disabilities, a population at higher risk for drowning, learn water safety and how to swim.

The Summer Water Safety Program teaches participants lifesaving water

safety skills, the importance of exercising, teamwork, listening and

Program/Services Description -Social Determinants of Health n/a

n/a

English Spanish

Youth - other setting

Social & Community Context (Civic Participation, Discrimination, Incarceration, Social Cohesion)

Healthcare Access & Quality (Access to Health Care, Access to Primary Care, Health Literacy)

Social Determinants of Health -Social and Community Context Social Determinant of Health by teaching community and participating in swim lessons, water safety sessions, and recreational play developing a sense of belonging and selfworth. When teaching swimming skills and lifesaving water safety skills, our Club members feel the satisfaction of mastering a skill and in the case of water safety being of service to their peer group consequently improving their feeling of self-worth. They also feel a sense of belonging when they notice the many different skill levels others are at and realize there is no competition, only cooperation and cohesion. Water safety and swimming lessons are imperative due to the abundance of unguarded pools, natural waterways, and beaches.

Social Determinants of Health -Healthcare Access and Quality We will address the Healthcare Access and QualitySocial Determinant of Health by providing lifesaving water safety training to all children who use our pool. Water safety provides skills and lessons Club members can share with family and friends. Also, by learning to swim, children are learning lifelong physical activity to help them prevent obesity and the awful side effects of obesity such as diabetes, hypertension, high cholesterol, and high blood pressure. This information is taught to the children as they participate in the sport of swimming and the process of learning water safety, thus increasing the children's health literacy.

Statement of Need/Problem According to the CDC 3,960 people a year, approximately 11 people per day, die due to drowning in the United States. Children in the Fallbrook community have constant access to water via swimming pools, lakes, streams, canals, the ocean, etc. With extensive, yearround access, it is critical for children to participate in swimming lessons and water safety instruction to minimize their risk of injury or death. The CDC reports drownings are the second leading cause of death for children aged 0 to 17 years. Furthermore, for every child under age 18 who dies from drowning, another 7 receive emergency department care for nonfatal drowning. Nearly 40% of drownings treated in emergency departments require hospitalization or transfer for further treatment. Drowning injuries can cause brain damage and long-term disability. There is a simple way to reduce tragic drowning incidences: teach kids to swim. California Department of Public Health (CDPH) clearly states "Drowning prevention classes, including swim lessons with certified instructors... are deemed essential." In 2009 the American Academy of Pediatrics found children enrolled in formal swimming lessons had an 88% reduced risk of drowning. They also found that socioeconomically, the number of swim lessons required to achieve basic competency in the water is often costly or difficult to access. They suggest addressing this barrier with community-based programs offering low-cost swim lessons, including culturally and linguistically appropriate swim instructors, which perfectly describes our program. In addition to teaching kids how to swim, water safety instruction is also imperative. The American Academy of Pediatrics states that water competency is the ability to anticipate, avoid, and survive common drowning situations. Elements of water competency include water safety awareness, basic swim skills, and the ability to recognize and respond to a swimmer in trouble. All these skills are taught in our Summer Water Safety Program with the goal of each child gaining water competency. In addition, participating in swim lessons and daily open swim activities will address the social determinants of health of Social and Community Context (social cohesion) and Healthcare Access and Quality (health literacy). Social cohesion is addressed as youth build relationships with each other and their instructor throughout the program. Health Literacy is increased as youth learn the importance of exercise and water safety through their participation.

How are other organizations addressing this need in the community?

Program/Services Description -Program Entry & Follow Up Fallbrook High School has the only other swimming pool in Fallbrook that is open to the public, however the youth we serve attend our Club on a daily basis and swim for no additional cost, so they do not traditionally access the other swimming pool, due to cost and transportation issues. In addition, the FHS pool charges considerably more for lessons and open swim and does not incorporate water safety into their daily swim activities. Our program is approximately half the cost of the lessons at FHS and more accessible to families in need.

Youth interested in participating in swimming lessons simply have a parent complete an enrollment form online or in our office and pay the program fee. If a scholarship is requested, a scholarship form is provided and evaluated by our administration. Youth interested in participating in our open recreation swim program can do so free of charge and with no enrollment for our Club membership. Any youth desiring membership can complete the registration form and pay the \$30 annual registration fee, which can be waived upon scholarship request. Youth hear of the program through our banners and flyers placed around town, email blasts, social media or our website. Staff members follow up on youth who are participating in our open swim program who may benefit from swimming lessons. If a youth is identified, staff will contact parents and request they enroll in the swim lessons program. Youth can continue on in lessons for however many sessions are desired, moving up levels as they gain skills.

Program/Services Description -The Summer Water Safety Program provided by Boys & Girls Clubs of **Program Activities** North County is held during the 10 weeks of summer break and consists of two program components. First is a swimming lesson and water safety program. This program provides swimming lessons to children ages 3 and up. Kids enroll for a two-week block of 30-minute swimming lessons (10 lessons total) taught by certified lifeguards and including water safety instruction, for \$60. Scholarships are available to assist those in need. On the first day of the lessons, the youth meet all together to complete an evaluation process, where they are then placed in groups based on their skills and abilities. Lessons include teaching best practice basic swim skills, including the ability to enter the water, surface, turn around, propel oneself for at least 25 yards, float or tread water then exit the water. More advanced students progress to learning more complex strokes and breathing techniques. Upon conclusion of the two-week session, participants receive certificates of completion. Kids can enroll in additional sessions to continue to increase their swimming skill level. The second component is a structured open swim time. Each weekday the pool is open from 1-5 pm for open swim, monitored by certified lifeguards. Open swimming is free for summer camp attendees. Activities are conducted each hour to help kids learn water safety, improve their swimming skills, and have fun! Water safety instruction provided in lessons and during open swim time includes swimming in clothes, falling in, and practicing self-rescue, along with critical educational components such as never swimming alone and how to recognize when another swimmer is in distress. In addition to the safety benefits of the program, by swimming our youth members will be participating in a great fitness activity. It is an excellent physical workout, as it keeps your heart rate up, and builds endurance, muscle strength, and cardiovascular fitness. It helps maintain a healthy weight, healthy heart and lungs while providing an all-over body workout. Because of the health benefits of participating in a swim program, youth participants will experience diabetes prevention, and less chance of high cholesterol, high blood pressure, hypertension, and obesity. In addition, participation in the program will increase the social support of the youth participants. They will gain friends and social connections with the other youth participants in swim lessons and open swim time, as well as receive the guidance of a caring adult through the lifeguards and swim instructors.

Program Goal

To improve the overall health of 500 Club members of Boys & Girls Clubs of North County, by addressing the following Social Determinants of Health: Social & Community Context and Healthcare Access & Quality. Social & Community Context will be addressed by creating a sense of belonging and self-worth for the youth, while Healthcare Access & Quality will be addressed by teaching lifesaving water safety skills to the youth improving their health literacy.

#### **INDEPENDENT AUDITOR'S REPORT**

To the Board of Directors and Audit Committee of **Boys and Girls Clubs of North County** 

#### Opinion

We have audited the accompanying financial statements of Boys and Girls Clubs of North County (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Boys and Girls Clubs of North County as of June 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Boys and Girls Clubs of North County and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

# **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Boys and Girls Clubs of North County's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Boys and Girls Clubs of North County's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Boys and Girls Clubs of North County's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### Note 1. <u>Nature of Organization</u>

Boys and Girls Clubs of North County is a California non-profit agency established in 1962. Our mission is to provide a safe, caring environment in which youth can develop self-esteem, leadership skills, and enjoy educational and recreational activities under supervised programs. Boys and Girls Clubs of North County's main facility is located in Fallbrook, California.

#### Note 2. <u>Summary of Significant Accounting Policies</u>

#### **Basis of Presentation**

Boys and Girls Clubs of North County's financial statements have been prepared on the accrual basis of accounting.

#### **Cash and Cash Equivalents**

Boys and Girls Clubs of North County has defined cash and cash equivalents as cash in banks and highly liquid investments with an original maturity of three months or less.

#### **Receivables and Credit Policies**

Accounts receivable consist primarily of noninterest-bearing amounts due for program services. Boys and Girls Clubs of North County determines the allowance for uncollectable accounts receivable based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Accounts receivable are written off when deemed uncollectable. Management determined that no allowance for doubtful accounts was necessary as all items were received subsequent to year end.

#### **Property and Equipment**

Property and equipment additions are recorded over \$2,500 at cost, or if donated, at fair value on the date of donation. Depreciation and amortization are computed using the straight-line method over the estimated useful lives of the assets ranging from 3 to 40 years, or in the case of capitalized leased assets or leasehold improvements, the lesser of the useful life of the asset or the lease term. When assets are sold or otherwise disposed of, the cost and related depreciation or amortization are removed from the accounts, and any resulting gain or loss is included in the statements of activities. Costs of maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed currently.

Carrying values of property and equipment are reviewed for impairment whenever events or circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. When considered impaired, an impairment loss is recognized to the extent carrying value exceeds the fair value of the asset. There were no indicators of asset impairment during the year ended June 30, 2022.

#### Note 2. <u>Summary of Significant Accounting Policies (continued)</u>

#### Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as revenue when the assets are placed in service.

Contributions restricted by donors are reported as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

#### **Revenue and Revenue Recognition**

#### **Revenue and Revenue Recognition (Financial Assets)**

Accountings Standards Update ASU 2014-09

Revenue form Exchange Transactions: The Organization recognizes revenue in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Updated (ASU) 2014-09, Revenue from Contracts with Customers, as amended. ASU 2014-09 applies to exchange transactions with customers that are bound by contracts or similar agreements and establishes a performance obligation approach to revenue recognition. The Organization adopted this policy for the year ending June 30, 2021, and records the following exchange transaction revenue in the statement of activities for the year ending June 30, 2022:

Youth program and league fees are recognized during the period in which the related performance obligation is met. The performance obligation of providing youth programs and leagues is simultaneously received and consumed by the customer unless the customer pays for program and leagues in a future period.

Special events revenue is net of the cost of direct benefits to donors, contribution revenue for the difference. The direct cost of special events, which ultimately benefit the donor rather than the Organization. The performance obligation is delivery of the event.

#### Note 2. <u>Summary of Significant Accounting Policies (continued)</u>

#### Accounting Standards Update ASU 2018-08

In June 2018, FASB issued ASU No. 2018-08, *Clarifying the Scope and Accounting Guidance for Contributions received and Contributions Made* (ASC Topic 958). This standard applies to all entities that receive or make contributions and was issued to clarify and improve the scope and the accounting guidance for contributions received and contributions made. The amendments in the standard should assist entities in (1) evaluating whether transactions should be accounted for as contributions (nonreciprocal transactions) within the scope of ASC Topic 958, Not for Profit Entities, or as exchange (reciprocal) transactions subject to other guidance and (2) determining whether a contribution is conditional. This standard was effective for June 30, 2020. The adoption of this standard did not result in any cumulative change to the Organization's financial statements.

Contributions are recognized when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met. Federal and state contracts and grants are conditioned upon certain performance requirements and the incurrence of allowable qualifying expenses.

#### **Donated Services and In-Kind Contributions (Non-financial Assets)**

Volunteers contribute significant amounts of time to our program services, administration, and fundraising and development activities; however, the financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed by generally accepted accounting principles. Contributed goods and services are recorded at fair value at the date of donation. There were no significant contributions of such goods or services were received during the years ended June 30, 2022. Management will adopt a monetization policy, if and, when it receives donated goods or services.

#### Advertising Costs

Advertising costs are expensed as incurred.

#### **Functional Allocation of Expenses**

The costs of program and supporting services activities have been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

#### **Income Taxes**

Boys and Girls Clubs of North County is organized as a California nonprofit corporation and has been recognized by the IRS as exempt from federal income taxes in IRC Section 501(c)(3). Boys and Girls Clubs of North County did not have any unrelated business income tax during the year.

#### Note 2. <u>Summary of Significant Accounting Policies (continued)</u>

Boys and Girls Clubs of North County has reviewed its position for all open tax years and believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements.

Boys and Girls Clubs of North County's federal and state Exempt Organization Tax Returns are subject to examination, generally for three years after they were filed for federal returns and four years for state returns.

#### **Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires us to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates, and those differences could be material.

#### **Financial Instruments and Credit Risk**

Boys and Girls Clubs of North County manages deposit concentration risk by placing cash with financial institutions. At times, amounts on deposit may exceed insured limits. To date, Boys and Girls Clubs of North County has not experienced losses in any of these accounts. Credit risk associated with accounts receivable is considered to be limited due to high historical collection rates.

#### Note 3. Liquidity and Availability

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the balance sheet date, comprise the following:

Cash and cash equivalents	\$1,224,530
Accounts receivable	227,213
Less: Donor restrictions	(7,360)
	<u>\$1,448,383</u>

As part of the liquidity management plan, cash in excess of daily requirements are invested in savings accounts.

#### Note 4. <u>Employee Benefit Plan</u>

Boys and Girls Clubs of North County has a 401(k) plan for its employees. In order to participate, an employee must be 21 years of age and must have completed one year of service. Boys and Girls Clubs of North County contributes an amount equal to three percent of each eligible employee's compensation. Boys and Girls Clubs of North County may also elect to provide a matching contribution for participants who make elective contributions. If made, the matching contribution is equal to the employees' contributions up to two percent of salary. The pension expense for the year ended June 30, 2022 was approximately \$48,000.

#### Note 5. <u>Accumulated Paid Time Off (PTO)</u>

Accumulated PTO is recognized as a liability. Employees are allowed to accumulate up to the amount they would accrue in one year and seven months of employment. At termination, employees are compensated for any accrued PTO. As of June 30, 2022, the liability was approximately \$42,000.

#### Note 6. <u>Net Assets With Donor Restrictions</u>

Net assets with donor restrictions for program purposes totaled \$7,360 for the year ended June 30, 2022. There were \$17,640 in net assets with donor restrictions for programs that were released during the year ended June 30, 2022.

#### Note 7. <u>Revenue From Contracts with Customers</u>

Deferred program and league fees, beginning of year	\$ -
Increase in deferred revenue during the year	 23,250
Deferred program and league fees, end of year	 23,250

#### Note 8. <u>Functionalized Expenses</u>

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries and related benefits, occupancy, office, insurance, depreciation, and other, which are allocated on the basis of estimates of time and effort.

#### Note 9. <u>Related Party Transactions</u>

Boys and Girls Clubs of North County periodically receives contributions from the Boys and Girls Club of Fallbrook Foundation (the Foundation). The Foundation was formed to help fund Boys and Girls Clubs of North County. The two organization share some common board members. During the year ended June 30, 2022, Boys and Girls Clubs of North County received approximately \$37,000 from the Foundation.

#### Note 10. <u>Concentrations of Revenues and Receivables</u>

A substantial amount of Boys and Girls Clubs of North County's support is received from a local school district representing approximately 75% of total revenues and support for the year ended June 30, 2022. Two funders contributed for 78% of total accounts receivable as of June 30, 2022. Loss of this funding could have a significant impact on Boys and Girls Clubs of North County's ability to provide its program services.

#### Note 11. <u>Subsequent Events</u>

We have evaluated subsequent events through January 24, 2023, the date the financial statements were available to be issued. Management is not aware or any subsequent events that would require disclosure in, or adjustment to, the financial statements.

#### Part IV Supporting Organizations

(Complete only if you checked a box in line 12 on Part I. If you checked box 12a, Part I, complete Sections A and B. If you checked box 12b, Part I, complete Sections A and C. If you checked box 12c, Part I, complete Sections A, D, and E. If you checked box 12d, Part I, complete Sections A and D, and complete Part V.)

## Section A. All Supporting Organizations

- 1 Are all of the organization's supported organizations listed by name in the organization's governing documents? *If "No," describe in Part VI how the supported organizations are designated. If designated by class or purpose, describe the designation. If historic and continuing relationship, explain.*
- 2 Did the organization have any supported organization that does not have an IRS determination of status under section 509(a)(1) or (2)? If "Yes," explain in **Part VI** how the organization determined that the supported organization was described in section 509(a)(1) or (2).
- **3a** Did the organization have a supported organization described in section 501(c)(4), (5), or (6)? If the section *Solution* and *Solution*
- **b** Did the organization confirm that each supported organization qualified under section 501(c)(4, (5), cr (6) and satisfied the public support tests under section 509(a)(2)? *If "Yes," describe in Part VI ydoe and how the organization made the determination.*
- c Did the organization ensure that all support to such organizations was used exclusively for section 170(c)(2)
   (B) purposes? If "Yes," explain in Part VI what controls the organization put in place to ensure such use.
- 4a Was any supported organization not organized in the United States ("foreign supported organization")? If "Yes," and if you checked box 12a or 12b in Part I, answer lines 4b and 4c below.
- **b** Did the organization have ultimate control and discretion in deciding whether to make grants to the foreign supported organization? If "Yes," describe in **Part VI** how the organization had such control and discretion despite being controlled or supervised by or in connection with its supported organizations.
- c Did the organization support any foreign supported organization that does not have an IRS determination under sections 501(c)(3) and 509(a)(1) or (2)? If "Yes," explain in **Part V** what controls the organization used to ensure that all support to the foreign supported organization was used exclusively for section 170(c)(2)(B) purposes.
- 5a Did the organization add, substitute, or remove any supported organizations during the tax year? If "Yes," answer lines 5b and 5c below (if applicable). Also, provide detail in **Part VI**, including (i) the names and EIN numbers of the supported organizations added, substituted, or removed; (ii) the reasons for each such action; (iii) the authority under the organization's organizing document authorizing such action; and (iv) how the action was accomplished (such as by amendment to the organizing document).
- **b** Type I or Type II only. Was any added or substituted supported organization part of a class already designated in the organization's organizing document?
- c Substitutions only. Was the substitution the result of an event beyond the organization's control?
- 6 Did the organization provide support (whether in the form of grants or the provision of services or facilities) to anyone other than (i) its supported organizations, (ii) individuals that are part of the charitable class benefited by one or more of its supported organizations, or (iii) other supporting organizations that also support or benefit one or more of the filing organization's supported organizations? *If "Yes," provide detail in Part VI.*
- 7 Did the organization provide a grant, Igan, compensation, or other similar payment to a substantial contributor (as defined in section 4958(c)(3)(c)), a family member of a substantial contributor, or a 35% controlled entity with regard to a substantial contributor? If "Yes," complete Part I of Schedule L (Form 990).
- 8 Did the organization make a foan to a disqualified person (as defined in section 4958) not described on line 7? If "Yes," complete Part I of Schedule L (Form 990).
- **9a** Was the organization controlled directly or indirectly at any time during the tax year by one or more disqualified persons, as defined in section 4946 (other than foundation managers and organizations described in section 509(a)(1) or (2))? *If "Yes," provide detail in Part VI.*
- **b** Did one or more disqualified persons (as defined on line 9a) hold a controlling interest in any entity in which the supporting organization had an interest? *If* "*Yes*," *provide detail in* **Part VI**.
- c Did a disqualified person (as defined on line 9a) have an ownership interest in, or derive any personal benefit from, assets in which the supporting organization also had an interest? *If* "*Yes*," *provide detail in Part VI.*
- **10a** Was the organization subject to the excess business holdings rules of section 4943 because of section 4943(f) (regarding certain Type II supporting organizations, and all Type III non-functionally integrated supporting organizations)? *If "Yes," answer line 10b below.* 
  - **b** Did the organization have any excess business holdings in the tax year? (Use Schedule C, Form 4720, to determine whether the organization had excess business holdings.)

		ugo
44 The the energy of the table 10 and 10	Yes	No
<ul> <li>Has the organization accepted a gift or contribution from any of the following persons?</li> <li>A person who directly or indirectly controls, either alone or together with persons described on lines 11b and</li> </ul>		
11c below, the governing body of a supported organization?		
b A family member of a person described on line 11a above?		<del> </del>
c A 35% controlled entity of a person described on line 11a or 11b above? If "Yes" to line 11a, 11b, or 11c, provide		
detail in Part VI.		
Section B. Type I Supporting Organizations	1	
1 Did the governing body, members of the governing body, officers acting in their official capacity, or membership of one or	Yes	No
more supported organizations have the power to regularly appoint or elect at least a majority of the organization's officers,	2	1-4
directors, or trustees at all times during the tax year? If "No," describe in Part VI how the supported organization(s		
effectively operated, supervised, or controlled the organization's activities. If the organization had more than one supported		
organization, describe how the powers to appoint and/or remove officers, directors, or trustees were allocated among the		
<ul> <li>supported organizations and what conditions or restrictions, if any, applied to such powers during the tax year.</li> <li>Did the organization operate for the benefit of any supported organization other than the supported organization.</li> </ul>		
2 Did the organization operate for the benefit of any supported organization other than the supported organization(s) that operated, supervised, or controlled the supporting organization? <i>If Yes</i> ," <i>exitain in Part</i>		
VI how providing such benefit carried out the purposes of the supported organization(s) that operated,		
supervised, or controlled the supporting organization.		
Section C. Type II Supporting Organizations		
	Yes	No
1 Were a majority of the organization's directors or trustees during the tax year also a majority of the directors		
or trustees of each of the organization's supported organization(s)? If "No," vescine in <b>Part VI</b> how control or management of the supporting organization was vested in the same persons that controlled or managed		
the supported organization(s).		
Section D. All Type III Supporting Organizations		
	Yes	No
1 Did the organization provide to each of its supported organizations, by the last day of the fifth month of the		
organization's tax year, (i) a written notice describing the type and amount of support provided during the prior tax year, (ii) a copy of the Form 990 that was most recently filed as of the date of notification, and (iii) copies of the		
organization's governing documents in effect on the date of notification, to the extent not previously provided?		
2 Were any of the organization's officers, directors, or trustees either (i) appointed or elected by the supported		
organization(s) or (ii) serving on the governing body of a supported organization? If "No," explain in Part VI how		
the organization maintained a close and continuous working relationship with the supported organization(s).	_	
3 By reason of the relationship described on line 2, above, did the organization's supported organizations have		
a significant voice in the organization's investment policies and in directing the use of the organization's income or assets at all times during the tax year? If "Yes," describe in <b>Part VI</b> the role the organization's		
supported organizations played in this regard.		
Section E. Type III Functionally Integrated Supporting Organizations		
1 Check the box next to the method that the organization used to satisfy the Integral Part Test during the year (see instruction	s).	
a The organization satisfied the Activities Test. Complete line 2 below.	-/.	
<b>b</b> The organization is the parent of each of its supported organizations. Complete line 3 below.		
c 🔲 The organization supported a governmental entity. Describe in Part VI how you supported a governmental entity (see instruc	tions)	
2 Activities Test. Answer lines 2a and 2b below.	· · · · ·	Na
a Did substantially all of the organization's activities during the tax year directly further the exempt purposes of	Yes	No
the supported organization(s) to which the organization was responsive? If "Yes," then in Part VI identify		
those supported organizations and explain how these activities directly furthered their exempt purposes,		
how the organization was responsive to those supported organizations, and how the organization determined	1.1	
that these activities constituted substantially all of its activities.  Did the activities described on line 2a above, constitute activities that, but for the organization's involvement		

- b Did the activities described on line 2a, above, constitute activities that, but for the organization's involvement, one or more of the organization's supported organization(s) would have been engaged in? If "Yes," explain in **Part VI** the reasons for the organization's position that its supported organization(s) would have engaged in these activities but for the organization's involvement.
- 3 Parent of Supported Organizations. Answer lines 3a and 3b below.
- a Did the organization have the power to regularly appoint or elect a majority of the officers, directors, or trustees of each of the supported organizations? *If "Yes" or "No," provide details in Part VI.*
- **b** Did the organization exercise a substantial degree of direction over the policies, programs, and activities of each of its supported organizations? *If* "*Yes*," *describe in* **Part VI** *the role played by the organization in this regard.*

## **General Information**

In general, for taxable years beginning on or after January 1, 2015, California law conforms to the Internal Revenue Code (IRC) as of January 1, 2015. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to **ftb.ca.gov** and search for **conformity**. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments.

The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the California Revenue and Taxation Code (R&TC) in the instructions. Taxpayers should not consider the instructions as authoritative law.

## A Purpose

Use form FTB 3885F, Depreciation and Amortization, to compute depreciation and amortization allowed as a deduction on Form 541, California Fiduciary Income Tax Return, Form 109, California Exempt Organization Business Income Tax Return, or Form 199, California Exempt Organization Annual Information Return. Attach form FTB 3885F to Form 541, Form 109, or Form 199.

Depreciation is the annual deduction allowed to recover the cost or other basis of business or income producing property with a determinable useful life of more than one year. Land is not depreciable.

Amortization is an amount deducted to recover the cost of certain capital expenses over a fixed period.

## **B** Federal/State Differences

California law has not always conformed to federal law regarding depreciation methods, special credits, or accelerated write-offs. Consequently, the recovery periods and the basis on which the depreciation is calculated may be different from the amounts used for federal purposes. Reportable differences may occur if all or part of your assets were placed in service:

- Before January 1, 1987. California disallowed depreciation under the federal Accelerated Cost Recovery System (ACRS). California depreciation is calculated in the same manner as in prior years for those assets.
- On or after January 1, 1987. California provides special credits and accelerated write-offs that affect the California basis for qualifying assets. California does not conform to all the changes to federal law enacted in 1993. Therefore, the California basis or recovery periods may be different for some assets.
- On or after September 11, 2001. California has not conformed to the federal Job Creation and Worker Assistance Act of 2002 which allows taxpayers to take an additional first year depreciation deduction and Alternative Minimum Tax depreciation adjustment for property placed in service after September 10, 2001.

### Summer at the Club

It's a busy summer at the Club! Now that June gloom is a memory, Club kids are enjoying the pool for swim lessons, swim team, and afternoon free swim.

Our partnerships with many local organizations are offering much-needed support and enrichment for our Club members. Fallbrook Regional Health District helps sponsor our Water Safety Program, helping educate our Club members on how to safely save someone experiencing distress in the water. Club members also learn how to save themselves from drowning.

Our partnership with Cal State San Marcos Nursing Students provides nurses to take care of our kids, and many of our Club members find the nurses to be excellent listeners.

Speaking of excellent listeners, our partnership with Palomar Family Counseling provides Club members with a safe place and caring counselors to talk about life changes and challenges.

## FOR IMMEDIATE RELEASE

## **Community Partners Support Boys & Girls Clubs of North County**

*Fallbrook, CA* – *July 25, 2023* – It's summertime at Boys & Girls Clubs of North County and kids are joyously swimming, playing and learning. The Club's summer partnerships with other nonprofits and local organizations are important to the overall summer experience for our Club members.

Fallbrook Regional Health District helps sponsor the Water Safety Program during the summer. We not only teach kids how to swim, but we also teach them how to rescue other swimmers experiencing distress in the water safely and quickly. Young children are at the highest risk of drowning, and the Club with the help of the Fallbrook Regional Health Center ensures water safety is taught at an early age throughout the summer and we usually have non-swimmers happily swimming and safely playing in the water by the end of the summer. We also partner with the CDC and teach their youngest charges from 3 to 4 years old how to swim. They walk to our pool from their site down the street.

"Summer is a special time at the Club, we get to make great memories for the kids while teaching them valuable life lessons," said Allison Barclay, Chief Executive Officer of Boys & Girls Clubs of North County. "We also sneak in STEM education and literacy as fun activities all summer to help students overcome the learning gap that often happens over the summer. "

In addition to partnering with the Fallbrook Regional Health District and the CDC, we also partner with Cal State San Marcos School of Nursing to provide health services and education during the summer. Not only do the nursing students hand out many band aids and even more ice packs, but the nursing students also share important information. They recently engaged our Club members with a learning session on the importance of wearing sunscreen and avoiding the sun during peak hours by finding shade and wearing hats.

Palomar Family Counseling works with our Club members on learning how to better cope with life stressors and teaches them how to better communicate as well as make better life choices. One of their activities is throwing a soccer ball with questions back and forth between Club members and counselors as a means of getting a conversation going with questions such as What is your favorite game to play? to What scares you? Between the Cal State Nursing Students and the Palomar Family Counseling team, our Club members are well supported all summer.

The Fallbrook Food Pantry also partners with the Club and provides weekly gardening experience at the Fallbrook Regional Health District Wellness Center. Club members team up in groups of two and decide what to plant in their gardens and then learn how to care for the gardens to make them grow. They are also taught food nutrition information in a fun and accessible way by Food Pantry volunteers. Additionally, Child Nutrition Services provides breakfast and lunch daily, keeping Club members well fed and healthy.

This summer music is in the air with the help of our partners at the Fallbrook Music Society. Club members learned how to read music and play a variety of instruments.

This summer the Boys & Girls Clubs of North County is running summer camps for all three of the local school districts: Fallbrook Unified Elementary, Bonsall and Vallecitos. For 60 years, the Club has been the place for youth to go after school for fun memories with friends, programs that would enhance their learning experience, and relationships with caring staff. We currently serve over 2,000 every year at our 10 different sites throughout Fallbrook and Camp Pendleton.
