PARTICIPANT SUCCESS STORY

Participant Success Story:

MEET ANAIS:

Anais is a 23-year-old single mom living with two other families here in Fallbrook. Anais works on the weekends and needs help with her son, Miguel, so together, these three families help support each other in their ability to provide a home for their children to grow up in. Anais started visiting the pantry just before the COVID pandemic changed so many people's lives, overnight, last March. She was still pregnant with her son and was not getting enough nutrition during her pregnancy. It was suggested that she come to the pantry to get food. She has been a regular weekly shopper and we are so grateful we are able to support her nutrition needs as well as her son's.

The support from of the Fallbrook Regional Health District makes it possible for us to provide the kind of nutrition our community needs...especially for pregnant mothers-to-be and their children.
