I certify that on January 25, 2022, I posted a copy of the foregoing agenda near the regular meeting place of the Board of Directors of Fallbrook Regional Health District, said time being at least 24 hours in advance of the meeting. The American with Disabilities Act provides that no qualified individual with a disability shall be excluded from participation in or denied the benefits of District business. If you need assistance to participate in this meeting, please contact the District office 24 hours prior to the meeting at 760-731-9187.

A handwritten signature in blue ink that reads "Linda Bannerman".

Board Secretary/Clerk

GOVERNMENT/PUBLIC ENGAGEMENT REPORT JANUAR

Government

National

- **COVID-19**

- CDC Endorses ACIP's Updated COVID-19 Vaccine Recommendations
Today, CDC is endorsing updated recommendations made by the Advisory Committee on Immunization Practices (ACIP) for the prevention of COVID-19, expressing a clinical preference for individuals to receive an mRNA COVID-19 vaccine over Johnson & Johnson's COVID-19 vaccine. The U.S. supply of mRNA vaccines is abundant – with nearly 100 million doses in the field for immediate use.
- The Food and Drug Administration (FDA) provided emergency authorization for people aged 16–17 to get a third dose of the Pfizer vaccine. They will be eligible for the shot 6 months after the second dose. Read more about this story in our live updates article. [Read Medical News Today.com.](#)
- Transmission of SARS-CoV-2 in K-12 Schools and Early Care and Education Programs information link: https://www.cdc.gov/coronavirus/2019-ncov/community/schools-childcare/k-12-guidance.html#anchor_1625661937509
 - This guidance emphasizes implementing layered prevention strategies (e.g., using multiple prevention strategies together consistently) to protect students, teachers, staff, visitors, and other members of their households and support in-person learning.
 - Vaccination is the leading public health prevention strategy to end the COVID-19 pandemic. Promoting vaccination can help schools safely return to in-person learning as well as extracurricular activities and sports.
 - Due to the circulating and highly contagious Delta variant, CDC recommends universal indoor masking by all students (age 2 and older), staff, teachers, and visitors to K-12 schools, regardless of vaccination status.

Additional Information on current CDC recommendations for children and teens:

<https://www.cdc.gov/coronavirus/2019-ncov/vaccines/recommendations/children-teens.html>

Total US Cases: 57,898,239 **Total Deaths in US:** 829,740 **Vaccines Administered:** 515,162,867

State

- **COVID-19**

Stats

- 65,613,968 total vaccines administered.
- 79.8% of the eligible population (5+) has been vaccinated with at least one dose.
- California has 5,530,751 confirmed cases to date.
- There have been 76,049 COVID-19 deaths since the start of the pandemic.
- COVID-19 claims the lives of 44 Californians each day (average daily death count over 7 days).

Frequently Asked Questions

- CA Dept of Public Health K-12 Schools Guidance/FAQs: [Click here.](#)
- Vaccination and Booster Shot appointments: myturn.ca.gov
- Vaccination record in digital form is available at: <https://myvaccinerecord.cdph.ca.gov/>
- How long to quarantine or isolate: covid19.ca.gov

- **HEALTH**

- **Forecasting 2022 Health Issues:** The Newsom Administration has several large health and behavioral health initiatives being implemented in 2022. The major health initiatives being launched in 2022 can be found on the weekly [summary](#).
- **Behavioral Health Infrastructure Funding: A Closer Look:** The state has launched a [website](#) for information about both the Behavioral Health Continuum Infrastructure Program (BHCIP) and the Community Care Expansion (CCE) Program. The BHCIP offers six rounds of funding through Requests for Applications (RFAs).

- **INFRASTRUCTURE**

- **State Announces Initial List of 18 Open-Access Middle-Mile Broadband Location:** In mid-November, the California Department of Technology (CDT) released details regarding the [first 18 projects](#) selected as part of the statewide open-access middle-mile broadband network effort. **Of Note: Our area appears to be included in Project #18. The next middle mile advisory comm meeting was scheduled on 12-15-21.**

- **BUDGET**

- **Legislative Analyst's Office 2022-23 Fiscal Outlook:** On November 17, the Legislative Analyst's Office (LAO) released its annual report: [The 2022-23 Budget, California's Fiscal Outlook](#). For those tracking state revenues closely, the good news may come as no surprise, but the LAO is projecting another historic budget surplus for the upcoming fiscal year. **The LAO finds that revenues are growing at historic rates and estimates the state will have a \$31 billion(!) surplus to allocate in 2022-23**, given that revenues already are \$10 billion ahead of Budget Act expectations for this point in the fiscal year
- **Senate and Assembly Release 2022 Budget Priorities:** Last week, both the full Senate and Assembly budget committees released their respective 2022 spending priorities. The plans can be found here: [Senate: Putting California's Wealth to Work for a More Equitable Economy](#) and [Assembly: Delivering Prosperity & Strengthening the Future](#)
- **Highlights of the State Senate Plan:** Support Getting Back to Work: Childcare, Small Businesses, and Essential Workforce. Strengthen Middle Class Families and Reduce Debt. Assist Families and Those in Need and Support Aging Californians. Focus on Health: Improve public health, mental health, access and affordability, Balance Public Safety and Justice
- **Highlights of the State Assembly Plan Include:** Ensure funds go out promptly to prevent wildfires and address the climate crisis • Improve public health infrastructure to protect Californians from COVID-19 and future pandemics

- **NEW LAWS**

In case you missed ACHD's New Laws in 2022 webinar you can [view a copy of the slides here](#) and [register for the on-demand webinar here](#). The webinar included an overview of laws impacting healthcare districts taking effect in January. ACHD.org

San Diego County & Live Well Updates

COVID-19

- SAN DIEGO (KGTV) – San Diego County has distributed COVID-19 testing kits to various libraries around the county, and they are being given out on a first-come, first-serve basis
- While information has helped people stay safe and healthy, incorrect information sometimes increases confusion about health-related issues. The County of San Diego has declared medical misinformation a public health crisis and is working to create a space to help you get accurate and reliable information from credible sources.
- Accurate and reliable information from credible sources: [Click here](#).
- San Diego County vaccine doses and boosters: coronavirus-sd.com/vaccine.

- Early Treatment for COVID-19 and Post-Exposure Prophylaxis with Monoclonal Antibodies are available at the Monoclonal Antibody Regional Centers (MARC): Monoclonal antibodies are proteins made in a lab that help boost the immune system to fight viruses. Monoclonal antibodies have been shown in clinical trials to reduce COVID-19-related hospitalizations and emergency room visits. [Click here for more information.](#)

Fallbrook Regional Health District
