Organization's Mission Statement ##### San Diego Children's Discovery Museum (SDCDM) sparks a love of learning so ALL children can discover their wildest dreams.

Organization's Vision Statement

Our vision for the future is to be the leaders in inventive early childhood learning. We aim to support children the most impacted by early childhood educational disparities during the earliest years when it matters most. Our Values

We believe in learning through hands-on play.

We believe in nurturing kind hearts and curious minds.

We believe in educational opportunities that are inclusive and open to all.

Organization History & Accomplishments

In 1999, Escondido parents came together to create a community learning space to foster children's creativity and exploration. This led to the creation of the Escondido Children's Museum in 2000, which later evolved into the San Diego Children's Discovery Museum. Having outgrown two facilities, we now accommodate over 100,000 visitors annually. With a holistic approach, we provide early childhood resources and educational opportunities to establish a strong foundation for lifelong success for young children. Recent fiscal year highlights include:

Served 103,287 families and children.

Provided subsidized access to 20,000 families in need.

Hosted 80,843 visitors, including 1,751 students on field trips.

Created over 10,000 STEM and literacy kits for underserved communities.

Engaged students from five grade levels in partnerships with 10 school districts.

Introduced 8 new exhibits and hosted 46 special events.

Provided 2,000+ hours of volunteer service.

Hosted the first STEMposium with 100 educators and thought leaders.

Our Mobile Children's Museum reached 10,393 children, with 90% from underserved communities. A 2021 CSU San Marcos study found that the program had a Total Economic Impact of \$3.8 million and a \$1.94 Positive Impact per dollar spent, validating our impact on the community.

##### Teachers often tell us they rely on SDCDM for STEM education and note that students in their districts would have limited access to STEM enrichment without us. Recent survey findings reveal high satisfaction among students and teachers with the Mobile Children's Museum programming. Teachers unanimously report that students enjoyed the Mobile Museum experiences, with 88% fully engaged. While 40% feel their school's STEM resources are lacking, 85% believe the Mobile Children's Museum significantly enhances their curriculum and learning standards. Positive teacher quotes highlight the effectiveness of activities for specific age groups, describing the experience as the "best day ever" and praising the well-organized workshops with friendly presenters.

Program Name/Title

Access for All Mobile Children's Museum Scholarships for Fallbrook Children

**Brief Program Description** 

##### The Mobile Children's Museum is a traveling STEM educational program. Access for All scholarships funded by this grant will ensure EVERY child in Pre-Kindergarten, Transitional Kindergarten, and Kindergarten at all Fallbrook Union School District schools, an estimated 900 children ages 4-6 years old, will benefit from the program.

Is this a new initiative/service or established program within your organization?

**Established Program** 

Did this program receive FRHD CHC - Grant funding last funding cycle (FY 23.24).

NO

Describe the impact of the program to date. Briefly explain how the service/intervention has worked - include cumulative metrics from the Q1 and Q2 Impact reports.

In the most recent fiscal year, our Mobile Children's Museum reached 10,393 children, with 90% from underserved communities. A 2021 CSU San Marcos study found that the program had a Total Economic Impact of \$3.8 million and a \$1.94 Positive Impact per dollar spent, validating our impact on the

Recent survey findings reveal high satisfaction among students and teachers with the Mobile Children's Museum programming. Teachers unanimously report that students enjoyed the Mobile Museum experiences, with 88% fully engaged. While 40% feel their school's STEM resources are lacking, 85% believe the Mobile Children's Museum significantly enhances their curriculum and learning standards.

Quotes: "My students had a lot of fun and said it was the best day ever! Thank you for providing a fun and enriching experience for our first graders."

"The Workshop was well-organized, with materials ready to go. Both presenters were very friendly and knew how to talk to kids (even little ones in TK!)."

##### "We were so excited for the mobile exhibit visit! Because of our distance away from the city, our children sometimes miss out on educational experiences. We were so pleased that they were able to problem solve, work on cooperation and have some good old-fashioned fun with your engineering tasks. It was great to see the teamwork, inclusion and creative thinking that arose from their play!" - Teacher, Julian Elementary

Higher Than Listed Limits	
We do not collect this data (indicate with 100%)*	100

\*Target Population - Income Level While we do not directly collect demographic data on program participants, information obtained from Ed Data and School District records indicate that 73% of Fallbrook Union Elementary School District students identify as BIPOC, with 64% being Hispanic or Latino. In the 2022-2023 school year, 75% of students were classified as English learners, foster youth, or eligible for free/reduced-price meals during enrollment counts.

Fallbrook Union Elementary School District provides a kindergarten through eighth-grade education to students across nine school sites, including two schools located aboard Marine Corps Base Camp Pendleton. Located in the northern-most part of San Diego County, FUESD provides a wide-ranging set of educational opportunities to a culturally diverse population of students.

What language(s) can this program accommodate:

Program/Services Description - Social Determinants of Health

Education Access & Quality (Early Childhood Education and Development, Enrollment in Higher Education, High School Graduation, Language and Literacy)

Social Determinants of Health - Education Access and Quality

The Mobile Children's Museum directly addresses the Social Determinant of Health (SDOH) related to Education Access and Quality by actively working to increase educational opportunities and support the academic success of Fallbrook children and adolescents. Recognizing that higher levels of education contribute to better health outcomes and longer life expectancy, our program is designed to bridge educational gaps for underserved communities.

Children from low-income families, those with disabilities, and those facing social discrimination often encounter challenges in academic achievement. The Mobile Children's Museum focuses on providing high-quality STEM (Science, Technology, Engineering, and Mathematics) education, ensuring that children have access to engaging learning experiences. By fostering over 50 fluencies for preschoolers through 5th graders, the program aims to enhance academic performance and prepare them for future educational milestones. The Access for All scholarships offered by the Mobile Children's Museum significantly reduce the financial burden on families, making STEM education accessible to those who need it the most. The program addresses transportation and resource challenges that often hinder educational access by bringing the museum learning experience directly into marginalized, economically disadvantaged, and geographically under-resourced communities.

##### Through these interventions, the Mobile Children's Museum contributes to increased educational opportunities and supports the overall well-being of children and adolescents. By investing in high-quality early

childhood education programs and reducing barriers to STEM education, the program lays the foundation for improved academic success and lessens the potential health disparities associated with lower educational attainment.

Statement of Need/Problem

Research shows that children who engage in playful, high-quality early childhood educational enrichment activities like those featured in this proposal are more likely to achieve positive outcomes in the long run. Play-based, hands-on STEM educational experiences, like SDCDM's Mobile Children's Museum, can lead to deeper learning and discovering new concepts and academic interests.

STEM education is often neglected at the preschool and elementary school levels as most teachers are unlikely to have a STEM background and face curriculum and structural barriers as well as a lack of support and resources. Community resources, such as STEM programs offered by educators outside the classroom, have been cited as an ideal solution to increase STEM learning by the National Association for Education of Young Children's professional standards published in their best practices.

California Department of Education's 2021 report, *The Powerful Role of Play in Early Education*, reveals that decades of research show that through play, children learn a breadth of social–emotional, cognitive, and physical skills and essential dispositions for learning. According to Tony Thurmond, CA State Superintendent of Public Instruction, comprehensive evidence confirms that play-based learning is the most effective approach for supporting children's health, learning, and overall well-being.

LEGO Foundation's The White Paper, Learning through play: a review of the evidence, states that through active engagement with ideas and knowledge, and also with the world at large, we see children as better prepared to deal with tomorrow's reality - a reality of their own making. From this perspective, learning through play is crucial for positive, healthy development.

One of the most pressing needs of our community is to prepare young children for future success. San Diego Children's Discovery Museum's Mobile Children Museum proudly offers educational programming that does just that!

How are other organizations addressing this need in the community?

Within the community, the San Diego Children's Discovery Museum's Mobile Children's Museum stands out as a unique and innovative offering in early childhood education. Being one of only three children's museums nationwide with a Mobile Children's Museum and the only educator-led Mobile Children's Museum in San Diego County, our program is distinct in our approach to delivering enriching, hands-on, and immersive learning experiences directly to marginalized, economically disadvantaged, and geographically underresourced communities.

While we know the Ruben H. Fleet Center's Fleet has a mobile On the Go educational program, it's crucial to note the differences in our respective programs. Our Mobile Children's Museum goes beyond bringing exhibits and interactive experiences by focusing on the early years (ages 4-6), social-emotional learning and purposeful play. Our approach addresses critical gaps in STEM program funding, fostering early interest in STEM, and enhances problem-solving skills.

Program/Services Description - Program Entry & Follow Up

The Mobile Children's Museum program ensures participant entry through a strategic process designed to remove barriers and facilitate engagement. The Museum education team initiates the process by developing a Memorandum of Understanding (MOU) with the school district. This foundational agreement lays the groundwork for collaboration and outlines the shared objectives between the Mobile Children's Museum and the educational institution.

Following the establishment of an MOU, the Museum collaborates with individual schools within the district to set up mobile visits tailored to complement classroom objectives and align with the school calendar. This personalized approach allows for the seamless integration of Mobile STEM Workshops and Exhibits into the existing educational framework, ensuring

relevance and effectiveness.

Post-visit, the program prioritizes ongoing engagement and impact assessment. Specific follow-up includes post-program surveys to the teachers and maintaining ongoing relationships with the school district. Through this comprehensive approach, the Mobile Children's Museum aims to ignite a passion for learning and STEM, ensuring equal educational opportunities for all participants in underserved communities.

Program/Services Description - Program Activities

Mobile STEM Workshops offer engaging experiences for Preschool through 3rd-grade children that can be provided grade-specific or general STEM Workshops. The grade-specific STEM workshops focus on Next Generation Science and Common Core Standards.

Our Mobile Exhibits seamlessly integrate science, technology, engineering, arts, and math and are adaptable to a variety of grade levels. Mobile STEM Exhibits explore captivating topics such as Forces, Garden Explorers, Light and Sound, and Water Engineering. Students can engage with interactive exhibits like Snap Circuits, Rokenbok, Rigamajig, or the Light Wall. We offer coding workshops and Ozobots. The Mobile Exhibits provide an immersive STEM learning journey, fostering curiosity and knowledge in young children.

The program addresses the critical need for equitable educational opportunities by removing cost barriers for expanded learning programs. It fills gaps in STEM program funding not typically covered by public funding while complementing the core curriculum. The Mobile Children's Museum aims to foster early interest in STEM, enhance problem-solving skills, and expose children to potential careers in STEM fields.

Exposing children to STEM at a young age supports their overall academic growth and develops early thinking and reasoning skills. The real-life skills that children develop when learning STEM help make them better problem solvers and learners. So it's never too soon to spark an interest in future careers and foster the incredible curiosity and inquisitiveness innate to children.

Access for All Mobile Children's Museum Scholarships: To ensure affordable access to STEM workshops for children in underserved communities, we offer fully funded and subsidized STEM workshops. This initiative removes financial barriers for schools and community groups in marginalized, economically disadvantaged, and geographically underresourced areas where transportation and educational resource challenges are prevalent. We have found that transporting groups of students across the county to learning institutions can be inordinately expensive - it is far more economical (52% less) for us to go to them.

Research highlights that children from under-resourced communities are disproportionately impacted by academic and social readiness gaps, placing them at higher risk for adverse outcomes. These scholarships champion equity, foster inclusivity, and expand Museum learning to a broader audience. The ultimate objective is to ignite a passion for learning and STEM, ensuring equal educational opportunities for all.

Program Goal

##### By the end of the 2024-2025 academic year, the Mobile Children's Museum aims to deliver a minimum of 40 STEM workshops to ALL PreK, TK, an Kindergarten students in Fallbrook Union Elementary Schools, impacting over 900 children and ensuring financial inclusivity for all participants through Access for All scholarships. This goal will be evaluated quarterly by assessing program success through structured observations, surveys, and participation metrics, aiming to enhance social-emotional development, academic engagement, and overall effectiveness based on continuous improvement strategies.

Program Objectives & Measurable Outcomes

SDCDM uses both quantitative and qualitative metrics to measure the success of our mobile programming. Evaluations are analyzed quarterly, and

improvements are made based on the findings. Our mobile museum metrics include the number and ages of children and adults served, post-program survey results from participating teachers and Museum staff members, and program efficacy measured by the engagement level of the children.

The primary goal of the Mobile Children's Museum project is to provide enriching, hands-on, immersive learning experiences, particularly in the field of STEM (Science, Technology, Engineering, and Mathematics), to children in marginalized, economically disadvantaged, and geographically underresourced communities.

SMART Goal for Increasing Program Participation:

Achieve a 15% increase in student participation in Mobile Museum experiences among Fallbrook students during the current academic year, measured by comparing the number of participants to the figures recorded in the previous year.

SMART Goal for Financial Inclusivity:

Attain 100% financial inclusivity by ensuring that at least 100% of Fallbrook participants benefit from fully funded or subsidized STEM workshops through Access for All scholarships, quantified by calculating the percentage of children covered by these scholarships.

SMART Goal for Increasing Access to STEM Education:

Deliver STEM workshops to a minimum of 900 children in Fallbrook Union Elementary Schools during the 2024-2025 academic year, ensuring broader access to STEM education.

SMART Goal for Enhancing Academic Engagement:

Design and implement at least two grade-specific STEM workshops aligned with Next Generation Science and Common Core Standards, fostering handson learning experiences for students in Fallbrook Union Elementary Schools to enhance academic engagement.

SMART Goal for Evaluating Program Success:

Regularly assess the success of the program by analyzing quarterly evaluations of both onsite and mobile programming. Implement improvements based on the findings to enhance the overall effectiveness and impact of the Mobile Children's Museum.

Organization Collaborations

The Mobile Children's Museum program actively collaborates with a wide variety of educational, community, and professional organizations, and has an existing partnership with Fallbrook Union Elementary Schools that in the 2022-2023 school year when we began offering Mobile Museum workshops to their students.

The Museum's primary partners include KPBS Kids, Escondido Union School District, Escondido State Preschool Program, Carlsbad Unified School District, Oceanside Unified School District, Educational Enrichment Systems (EES), and MAAC head start state-run preschools in north county. Recent culture and arts partners include the Samahan Filipino American group, 'ataaxum Pomkwaan, an indigenous group, and Ballet Folklorico en Aztlan. Other significant partnerships include the San Diego Public Libraries, Escondido Public Library, the Boys & Girls Club, and Oceanside Public Library. These collaborations strengthen our programs by providing diverse perspectives, resources, and opportunities for learning and community engagement.

Our partnerships extend beyond traditional educational institutions, and we utilize resources and research from esteemed organizations such as the

Association of Children's Museums, California Department of Education, the National Association for Education of Young Children, the LEGO Foundation, the Heckman Institute, Edtopia, the CASEL SEL Framework, Next Generation Science and Common Core Standards, and more. This multifaceted approach ensures the development of high-quality, evidence-driven, and developmentally appropriate programming.

Committed to addressing broader community needs and supporting vulnerable populations, our annual STEMposium unites the community to explore the latest advancements in early childhood education, play, and STEM. Our collaboration with the CSUSM MBA program reflects a commitment to rigorous evaluation and continuous improvement, ensuring the program's effectiveness and positive impact. Overall, these collaborative efforts contribute to the success and sustainability of the Mobile Children's Museum in providing enriching, hands-on educational experiences to underserved communities.

**Anticipated Acknowledgment** 

By partnering with us, Fallbrook Regional Health District can align itself with a respected organization, extend its reach to a broad audience, and receive meaningful recognition while advancing SDCDM's educational programs and mission. We will work closely with your group to ensure that your logo is used in line with your specific recognition preferences, maintaining the integrity of your branding while showcasing your support for our initiatives. We can feature your name or logo on our website, in our newsletter, and through various social media channels. As requested, we can display your high-resolution PNG logo in our promotional materials, further increasing your brand's visibility. Our communications and outreach efforts are estimated to reach approximately 30,000 people. This means that your association with the San Diego Children's Discovery Museum will be communicated to a substantial audience, enhancing your group's visibility.

On Facebook, with 25,000+ followers, SDCDM shares a mix of informative content, event updates, and behind-the-scenes glimpses into its programs. The platform serves as a hub for fostering community engagement and keeping followers informed about the latest developments. SDCDM's Instagram account (@sdcdm320) has a following of 7,789, focusing on visually appealing content that resonates with its audience. With a LinkedIn presence of 1,042 connections, SDCDM strategically uses the professional networking platform to connect with individuals and organizations in the education, museum, and nonprofit sectors. YouTube provides a video-centric platform where SDCDM shares educational content, virtual tours, and highlights from its programs.

**Funding History** 

YES

Funding History - withdrawn, reduced or discontinued explained

Although we have yet to experience any instances of funds being withdrawn, reduced, or discontinued within an open grant period, there have been times when a Mobile Children's Museum funder's priorities or finances have shifted, and they have discontinued funding by not awarding a new request. There are also funders with policies preventing continued funding for the same organizations year after year.

##### As a result, SDCDM cannot rely on consistent annual support from the same group of funders. However, it is important to highlight our organization's established track record of successfully implementing and monitoring metrics and financials for this program. We assure you that SDCDM is a dependable,

professional, and collaborative partner committed to fulfilling the terms and conditions of all awarded grants.

Notes to the Financial Statements	9

**Davis Farr LLP** 

#### **INDEPENDENT AUDITOR'S REPORT**

Board of Directors San Diego Children's Discovery Museum Escondido, California

#### **Report on the Audit of the Financial Statements**

#### **Opinion**

We have audited the financial statements of the San Diego Children's Discovery Museum (the "Museum"), a nonprofit organization, which comprise the statements of financial position as of June 30, 2023 and 2022, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the San Diego Children's Discovery Museum as of June 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

#### Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the San Diego Children's Discovery Museum and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the San Diego Children's Discovery Museum's ability to continue as a going concern for one year after the date that the financial statements are issued.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Museum's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Museum's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Notes to the Financial Statements**

#### Years ended June 30, 2023 and 2022

## (1) Nature of Organization

San Diego Children's Discovery Museum (SDCDM) was incorporated as a non-profit corporation in January 2000. The mission of SDCDM is to spark a love of learning so all children can discover their wildest dreams. Its vision is to be the leaders in inventive early childhood learning by inspiring children ages 0-10 years old through supportive educational experiences in STEM (science, technology, engineering and math). SDCDM is a vital resource for families and schools seeking high-quality impactful early educational experiences that help build early skills essential for future success and health. SDCDM's exhibits, programs and events encourage curious young learners, nurture social and emotional skills, build foundational fluencies from a young age, and offer forms of play essential for creativity, curiosity, and gross and fine motor skills. The programs are delivered onsite, offsite through the Mobile Children's Museum, and online.

### (2) <u>Summary of Significant Accounting Policies</u>

## (a) Basis of Accounting

The financial statements of the Museum have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

#### (b) <u>Use of Estimates</u>

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of revenues and expenses during the reporting period and the reported amounts of assets and liabilities at the date of the financial statements. On an ongoing basis, the Museum's management evaluates the estimates and assumptions based upon historical experience and various other factors and circumstances. The Museum's management believes that the estimates and assumptions are reasonable in the circumstances; however, the actual results could differ from those estimates.

#### (c) <u>Cash and Cash Equivalents</u>

The Museum considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. The carrying amount of the Museum's cash and cash equivalents approximates fair value due to the short maturity of these investments. The Museum maintains cash balances at two financial institutions. Deposit accounts at each bank are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per account.

#### **Notes to the Financial Statements**

#### Years ended June 30, 2023 and 2022

(Continued)

#### (2) <u>Summary of Significant Accounting Policies (Continued)</u>

Cash and cash equivalents consists of the following at June 30:

	 2023	 2022
Demand deposits	\$ 412,814	\$ 417,007
Certificates of deposit		
maturing in less than 90 days	 101,486	 _
,	\$ 514,300	\$ 417,007

#### (d) Accounts Receivable

Accounts receivable are primarily amounts due from local school districts and other entities for Museum related programs. Management believes that all outstanding accounts receivable at June 30, 2023 and 2022 are collectible.

#### (e) Contributions Receivable

Contributions receivable are unconditional promises to give that are recognized as contributions when the promise is received. Contributions receivable that are expected to be collected in less than one year are reported at net realizable value. Contributions receivable that are expected to be collected in more than one year are recorded at fair value at the date of promise. That fair value is computed using a present value technique applied to anticipated cash flows. Amortization of the resulting discount is recognized as additional contribution revenue. The allowance for uncollectible contributions receivable is determined based on management's evaluation of the collectability of individual promises.

#### (f) Fair Value Measurements

Certain assets and liabilities are reported at fair value based on a fair value hierarchy that distinguishes between assumptions based on market data (observable inputs) and the Museum's assumptions (unobservable inputs). Determining where an asset or liability falls within that hierarchy depends on the lowest level input that is significant to the fair value measurement as a whole.

An adjustment to the pricing method used within either Level 1 or Level 2 inputs could generate a fair value measurement that effectively falls in a lower level in the hierarchy. The hierarchy consists of three broad levels as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

#### **Notes to the Financial Statements**

#### Years ended June 30, 2023 and 2022

(Continued)

#### (2) Summary of Significant Accounting Policies (Continued)

Level 2 – Pricing inputs are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value is determined through the use of models or other valuation methodologies.

Level 3 – Pricing inputs are unobservable for the instrument and include situations where there is little, if any, market activity for the instrument. The inputs into the determination of fair value require significant management judgment or estimation.

In some instances, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such instances, an instrument's level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. Market price is affected by a number of factors, including the type of instrument and the characteristics specific to the instrument, as well as the effects of market, interest and credit risk. Instruments with readily available active quoted prices or for which fair value can be measured from actively quoted prices generally will have a higher degree of market price observability and a lesser degree of judgment used in measuring fair value. It is reasonably possible that changes in values of these instruments will occur in the near term and that such changes could materially affect amounts reported in the Museum's financial statements.

#### (g) <u>Inventory</u>

Inventory consists primarily of items for resale in the gift shop and is valued at the lower of cost (first-in, first-out method) and net realizable value.

#### (h) Property and Equipment

Property and equipment owned by the Museum are recorded at cost, or in the case of donated items, at estimated fair value at the date of the gift. Maintenance and repairs are expensed when incurred and betterments are capitalized. Property and equipment are depreciated using the straight-line method over their estimated useful lives of five to thirty-nine years. It is the policy of the Museum to capitalize assets with cost of \$1,000 and greater with a useful life of more than one year.

Property and equipment are reviewed for impairment when a significant change in the asset's use or another indicator of possible impairment is present. No impairment losses were recognized in the financial statements for the years ended June 30, 2023 and 2022.

#### **Notes to the Financial Statements**

#### Years ended June 30, 2023 and 2022

(Continued)

#### (2) Summary of Significant Accounting Policies (Continued)

#### (i) Membership Dues

Deferred revenue consists of payments for memberships received in advance. Membership dues are recognized on a pro-rata basis over the annual membership period.

#### (j) Net Assets

The financial statements report net assets and changes in net assets in two classes that are based upon the existence or absence of restrictions on use that are placed by its donors, as follows:

#### Net Assets Without Donor Restrictions

Net assets without donor restrictions are resources available to support operations. The only limits on the use of these net assets are the broad limits resulting for the nature of the Museum, the environment in which it operates, the purposes specified in its corporate documents and its application for tax-exempt status, and any limits resulting from contractual agreements with creditors and others that are entered into in the course of its operations.

#### Net Assets With Donor Restrictions

Net assets with donor restrictions are resources that are restricted by a donor for use for a particular purpose or in a particular future period. Some donor-imposed restrictions are temporary in nature, and the restrictions will expire when the resources are used in accordance with the donor's instructions or when the stipulated time has passed. Other donor-imposed restrictions are perpetual in nature; the Museum must continue to use the resources in accordance with the donor's instructions.

The Museum's unspent contributions are included in this class if the donor limited their use. When a donor's restriction is satisfied, either by using the resources in the manner specified by the donor or by the passage of time, the expiration of the restriction is reported in the financial statements by reclassifying the net assets from net assets with donor restrictions to net assets without donor restrictions.

#### **Notes to the Financial Statements**

#### Years ended June 30, 2023 and 2022

(Continued)

#### (2) Summary of Significant Accounting Policies (Continued)

#### (k) <u>Classification of Transactions</u>

All revenues and net gains are reported as increases in net assets without donor restrictions in the Statement of Activities unless the donor specified the use of the related resources for a particular purpose or in a future period. All expenses and net losses are reported as decreases in net assets without donor restrictions.

#### (I) Accounting for Contributions

Contributions, including unconditional promises to give, are recognized when received. All contributions are reported as increases in net assets without donor restrictions unless use of the contributed assets is specifically restricted by the donor. Amounts received that are restricted by the donor to use in future periods or for specific purposes are reported as increases in net assets with donor restrictions.

Unconditional promises with payments due in future years have an implied restriction to be used in the year the payment is due, and therefore are reported as restricted until the payment is due, unless the contribution is clearly intended to support activities of the current fiscal year. Conditional promises, such as matching grants, are not recognized until they become unconditional, that is, until all conditions on which they depend are substantially met.

#### (m) Gifts-in-Kind Contributions

For the years ended June 30, gifts-in-kind contributions recognized in the Statements of Activities included:

	2023	2022
Advertising services	\$72,844	\$92,908
Interest expense – forgiven	7,319	4,147
Goods and other services		2,745
Total	\$80,163	\$99,800

The Museum recognized contributed nonfinancial assets within revenue, including contributed services, forgiven interest, and goods and other services. Unless otherwise noted, contributed nonfinancial assets did not have donor-imposed restrictions.

#### **Notes to the Financial Statements**

#### Years ended June 30, 2023 and 2022

(Continued)

#### (2) <u>Summary of Significant Accounting Policies (Continued)</u>

The contributed advertising services were Google search ads. Contributed services are valued and reported at the estimated fair value in the financial statements based on current rates for similar advertising services.

The contributed interest expense is forgiven interest related to the advance payable discussed further in Note 7.

#### (n) Grant Revenue

Grant revenue is recognized as contributions income and contributions receivable when the qualifying costs are incurred for cost-reimbursement grants or contracts or when a unit of service is provided for performance grants.

#### (o) Expense Recognition and Allocation

The cost of providing the Museum's programs and other activities is summarized on a functional basis in the Statement of Activities and Statement of Functional Expenses. Expenses that can be identified with a specific program or support service are charged directly to that program or support service. Costs common to multiple functions have been allocated among the various functions benefited using a reasonable allocation method that is consistently applied, as follows:

- Salaries and wages, benefits, and payroll taxes are allocated based on activity reports prepared by key personnel.
- Occupancy, depreciation, and interest are allocated on a square foot basis dependent on the programs and supporting activities occupying the space.
- Telephone and internet services, insurance, and supplies and miscellaneous expenses that cannot be directly identified are allocated on the basis of employee headcount for each program and supporting activity.

General and administrative expenses include those costs that are not directly identifiable with any specific program, but which provide for the overall support and direction of the Museum.

Fundraising costs are expensed as incurred, even though they may result in contributions received in future years. The Museum generally does not conduct its fundraising activities in conjunction with its other activities.

#### **Notes to the Financial Statements**

#### Years ended June 30, 2023 and 2022

(Continued)

#### (2) <u>Summary of Significant Accounting Policies (Continued)</u>

In the few cases in which it does, such as when the annual report or donor acknowledgements contain requests for contributions, joint costs have been allocated between fundraising and general and administrative expenses in accordance with standards for accounting for costs of activities that include fundraising. Additionally, advertising costs are expensed as incurred.

#### (p) Tax Status

SDCDM is exempt from federal income and California franchise taxes under Section 501(c)(3) of the Internal Revenue Code ("IRC") and Section 23701(d) of the State Revenue and Taxation Code, respectively.

The Museum remains subject to taxes on any net income which is derived from a trade or business regularly carried on and unrelated to its exempt purpose. In the opinion of management, there is no unrelated business income for the years ended June 30, 2023 and 2022.

The Museum follows accounting standards generally accepted in the United States of America related to the recognition of uncertain tax positions as part of the Statement of Activities, when applicable. Management has determined that the Museum has no uncertain tax positions at June 30, 2023 and 2022, therefore, no amounts have been accrued.

Contributions to the Museum are tax deductible to donors under Section 170 of the IRC. The Museum is not classified as a private foundation.

#### (3) <u>Investments and Fair Value Measurements</u>

Ounted Driess

Fair values of assets measured on a recurring basis at June 30, 2023 are as follows:

	Quotea Prices			
	in Active	Significant		
	Markets for	Other	Significant	
	Identical	Observable	Unobservable	
	Assets	Inputs	Inputs	
	(Level 1)	(Level 2)	(Level 3)	Total
Certificates of deposit	\$ -	\$ 203,121	\$ -	\$ 203,121

#### **Notes to the Financial Statements**

#### Years ended June 30, 2023 and 2022

(Continued)

#### (4) Contributions Receivable

Contributions Receivable at June 30 are expected to be collected as follows:

	 2023	2022
Less than one year	\$ 35,000	\$ 95,060
One to five years	140,000	175,000
More than five years	 _	10,000
	175,000	280,060
Less reduction for present value	 (27,568)	(39,734)
Total	\$ 147,432	<u>\$240,326</u>

Changes in Contributions Receivable for the years ended June 30 were as follows:

	 2023	2022
Contributions receivable at beginning of year	\$ 240,326	\$ 202,695
Payments received	(105,060)	(35,000)
Additions	_	62,145
Change in present value	 12,166	10,486
Contributions receivable at year end	\$ 147,432	<u>\$ 240,326</u>

No allowance for doubtful accounts was considered necessary at June 30, 2023 and 2022 because management believes that all amounts are collectible. The present value discount was imputed for long-term contributions receivable at 6.0% rate based on the deemed credit worthiness of the donor.

#### (5) **Property and Equipment**

Property and equipment at June 30 are summarized as follows:

	 2023	2022
Building and Improvements	\$ 1,266,087	\$1,266,087
Land	749,240	749,240
Exhibits	221,279	235,194
Vehicles	176,580	68,162
Furniture and Equipment	25,828	105,700
Technology	25,224	35,502
	2,464,238	2,459,885
Less: Accumulated depreciation	(604,006)	(643,471)
Net property and equipment	\$ 1,860,232	\$1,816,414

Depreciation expenses were \$70,669 and \$67,441 for the years ended June 30, 2023 and 2022, respectively.

#### **Notes to the Financial Statements**

#### Years ended June 30, 2023 and 2022

(Continued)

#### (6) <u>Line of Credit</u>

The Museum has a Variable Rate with Preferred Rate Reduction Nondisclosable Revolving Line of Credit for \$250,000 due on November 15, 2025. The base rate is U.S. Prime Rate plus 1% with an annual interest rate floor of 4.25%. The interest rate at June 30, 2023 was 9.5%. As of June 30, 2023 and 2022, there was no outstanding balance.

#### (7) Advances Payable

The Linden Root Dickinson Foundation (LRDF) provided the Museum with non-interest-bearing cash advances totaling \$750,000 in prior years, which were used to fund leasehold improvements and operating expenses. Since the initial Advance Agreement, dated July 19, 2011, LRDF has provided loan forgiveness in the amount of \$550,000, leaving a principal balance due of \$200,000 at June 30, 2023. The due date is July 19, 2025. Contributed interest of \$7,319 and \$4,147 was forgiven for the years ended June 30, 2023 and 2022, respectively. It was calculated using the IRS Applicable Federal Rate mid-term quarterly rates ranging from 3.1% to 4.25% and 1.71% to 3.07% for 2023 and 2022, respectively.

#### (8) Liquidity and Availability

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of June 30 are as follows:

Financial assets:		2023	2022
Cash and cash equivalents	\$	412,814	\$ 417,007
Investments		203,121	-
Accounts receivable, net		98,865	22,658
Contributions receivable, net		147,432	240,326
Total financial assets		862,232	679,991
Less financial assets held to meet donor-imposed restrictions:			
Purpose restricted net assets		(230,303)	(135,702)
Less financial assets not available within one year:			
Contributions receivable	_	(112,432)	(145,266)
Amount available for general expenditures within one year	\$	519,497	\$ 399,023

As part of the Museum's liquidity management plan, the Museum maintains a revolving line of credit of \$250,000 to cover short-term cash needs. See note 6 for additional details on the line of credit.

#### **Notes to the Financial Statements**

#### Years ended June 30, 2023 and 2022

(Continued)

#### (9) Net Assets with Donor Restrictions

Net assets with donor restrictions consisted of the following at June 30:

		2023	2022
Purpose restrictions, available for spending	\$	230,303	\$135,702
Time restrictions: Contributions receivable, net, which are unavailable			
for spending until due	_	147,432	240,326
Total net assets with donor restrictions	\$	377,735	\$376,028

#### (10) Concentrations of Risk

The Museum relies on contributions and grants and is subject to the economic risks that affect donors and grantors abilities to support the Museum. As of June 30, 2023 and 2022, two entities accounted for approximately 100% and 76% of total contributions receivable, respectively. Approximately 77% of total contributions and grants were from federal COVID relief and foundation grants for the year ended June 30, 2022. There were no such concentrations for the year ended June 30, 2023.

#### (11) Employee Benefits

The Museum has a 401(k) Profit Sharing Plan covering all employees after 90 days of service. The Plan provides that employees who have attained the age of 18 and completed 90 days of service may voluntarily contribute up to 10% of their earning to the Plan, up to the maximum contribution allowed by the IRS. Beginning July 1, 2022, the Museum will match 50% of employee contributions up to a maximum of 3.0%. The employer contribution for the year ended June 30, 2023 was \$5,770.

#### (12) Subsequent Events

Subsequent events have been evaluated by management through December 1, 2023, which is the date the financial statements were available to be issued. Events occurring after that date have not been evaluated to determine whether a change in the financial statements would be required.

# Part VII Compensation of Officers, Directors, Trustees, Key Employees, Highest Compensated Employees, and Independent Contractors

Check if Schedule O contains a response or note to any line in this Part VII

### Section A. Officers, Directors, Trustees, Key Employees, and Highest Compensated Employees

- 1a Complete this table for all persons required to be listed. Report compensation for the calendar year ending with or within the organization's tax year.
- List all of the organization's **current** officers, directors, trustees (whether individuals or organizations), regardless of amount of compensation. Enter -0- in columns (D), (E), and (F) if no compensation was paid.
  - List all of the organization's current key employees, if any. See the instructions for definition of "key employee."
- List the organization's five current highest compensated employees (other than an officer, director, trustee, or key employee) who received reportable compensation (box 5 of Form W-2, Form 1099-MISC, and/or box 1 of Form 1099-NEC) of more than \$100,000 from the organization and any related organizations.
- List all of the organization's **former** officers, key employees, and highest compensated employees who received more than \$100,000 of reportable compensation from the organization and any related organizations.
- List all of the organization's **former directors or trustees** that received, in the capacity as a former director or trustee of the organization, more than \$10,000 of reportable compensation from the organization and any related organizations.

See the instructions for the order in which to list the persons above.

2021

Open to Public Inspection

**Employer identification number** Name of the organization SAN DIEGO CHILDREN'S DISCOVERY MUSEUM 33-0912735 Reason for Public Charity Status. (All organizations must complete this part.) See instructions. Part I The organization is not a private foundation because it is: (For lines 1 through 12, check only one box.) A church, convention of churches, or association of churches described in section 170(b)(1)(A)(i). A school described in section 170(b)(1)(A)(ii). (Attach Schedule E (Form 990).) 3 A hospital or a cooperative hospital service organization described in section 170(b)(1)(A)(iii). A medical research organization operated in conjunction with a hospital described in section 170(b)(1)(A)(iii). Enter the hospital's name, city, and state: An organization operated for the benefit of a college or university owned or operated by a governmental unit described in section 170(b)(1)(A)(iv). (Complete Part II.) 6 A federal, state, or local government or governmental unit described in section 170(b)(1)(A)(v). X An organization that normally receives a substantial part of its support from a governmental unit or from the general public described in section 170(b)(1)(A)(vi). (Complete Part II.) A community trust described in section 170(b)(1)(A)(vi). (Complete Part II.) An agricultural research organization described in section 170(b)(1)(A)(ix) operated in conjunction with a land-grant college or university or a non-land-grant college of agriculture (see instructions). Enter the name, city, and state of the college or 10 An organization that normally receives (1) more than 33 1/3% of its support from contributions, membership fees, and gross receipts from activities related to its exempt functions, subject to certain exceptions; and (2) no more than 33 1/3% of its support from gross investment income and unrelated business taxable income (less section 511 tax) from businesses acquired by the organization after June 30, 1975. See section 509(a)(2). (Complete Part III.) 11 An organization organized and operated exclusively to test for public safety. See section 509(a)(4). 12 An organization organized and operated exclusively for the benefit of, to perform the functions of, or to carry out the purposes of one or more publicly supported organizations described in section 509(a)(1) or section 509(a)(2). See section 509(a)(3). Check the box on lines 12a through 12d that describes the type of supporting organization and complete lines 12e, 12f, and 12g. Type I. A supporting organization operated, supervised, or controlled by its supported organization(s), typically by giving the supported organization(s) the power to regularly appoint or elect a majority of the directors or trustees of the supporting organization. You must complete Part IV, Sections A and B. Type II. A supporting organization supervised or controlled in connection with its supported organization(s), by having control or management of the supporting organization vested in the same persons that control or manage the supported organization(s). You must complete Part IV, Sections A and C. Type III functionally integrated. A supporting organization operated in connection with, and functionally integrated with, its supported organization(s) (see instructions). You must complete Part IV, Sections A, D, and E. Type III non-functionally integrated. A supporting organization operated in connection with its supported organization(s) that is not functionally integrated. The organization generally must satisfy a distribution requirement and an attentiveness requirement (see instructions). You must complete Part IV, Sections A and D, and Part V. Check this box if the organization received a written determination from the IRS that it is a Type I, Type II, Type III functionally integrated, or Type III non-functionally integrated supporting organization. Enter the number of supported organizations Provide the following information about the supported organization(s). (i) Name of supported (ii) EIN (iii) Type of organization (v) Amount of monetary (vi) Amount of other your governing document? (described on lines 1-10 organization support (see instructions) support (see instructions) No above (see instructions))

### Part II Support Schedule for Organizations Described in Sections 170(b)(1)(A)(iv) and 170(b)(1)(A)(vi)

(Complete only if you checked the box on line 5, 7, or 8 of Part I or if the organization failed to qualify under Part III. If the organization fails to qualify under the tests listed below, please complete Part III.)

### Part IV | Supporting Organizations

(Complete only if you checked a box in line 12 on Part I. If you checked box 12a, Part I, complete Sections A and B. If you checked box 12b, Part I, complete Sections A and C. If you checked box 12c, Part I, complete Sections A, D, and E. If you checked box 12d, Part I, complete Sections A and D, and complete Part V.)

### Section A. All Supporting Organizations

- 1 Are all of the organization's supported organizations listed by name in the organization's governing documents? If "No," describe in Part VI how the supported organizations are designated. If designated by class or purpose, describe the designation. If historic and continuing relationship, explain.
- 2 Did the organization have any supported organization that does not have an IRS determination of status under section 509(a)(1) or (2)? If "Yes," explain in **Part VI** how the organization determined that the supported organization was described in section 509(a)(1) or (2).
- **3a** Did the organization have a supported organization described in section 501(c)(4), (5), or (6)? If "Yes," answer lines 3b and 3c below.
- **b** Did the organization confirm that each supported organization qualified under section 501(c)(4), (5), or (6) and satisfied the public support tests under section 509(a)(2)? If "Yes," describe in **Part VI** when and how the organization made the determination.
- c Did the organization ensure that all support to such organizations was used exclusively for section 170(c)(2)(B) purposes? If "Yes," explain in Part VI what controls the organization put in place to ensure such use.
- **4a** Was any supported organization not organized in the United States ("foreign supported organization")? *If* "Yes," and if you checked box 12a or 12b in Part I, answer lines 4b and 4c below.
- **b** Did the organization have ultimate control and discretion in deciding whether to make grants to the foreign supported organization? If "Yes," describe in **Part VI** how the organization had such control and discretion despite being controlled or supervised by or in connection with its supported organizations.
- c Did the organization support any foreign supported organization that does not have an IRS determination under sections 501(c)(3) and 509(a)(1) or (2)? If "Yes," explain in Part VI what controls the organization used to ensure that all support to the foreign supported organization was used exclusively for section 170(c)(2)(B) purposes.
- 5a Did the organization add, substitute, or remove any supported organizations during the tax year? If "Yes," answer lines 5b and 5c below (if applicable). Also, provide detail in Part VI, including (i) the names and EIN numbers of the supported organizations added, substituted, or removed; (ii) the reasons for each such action; (iii) the authority under the organization's organizing document authorizing such action; and (iv) how the action was accomplished (such as by amendment to the organizing document).
- **b Type I or Type II only.** Was any added or substituted supported organization part of a class already designated in the organization's organizing document?
- c Substitutions only. Was the substitution the result of an event beyond the organization's control?
- 6 Did the organization provide support (whether in the form of grants or the provision of services or facilities) to anyone other than (i) its supported organizations, (ii) individuals that are part of the charitable class benefited by one or more of its supported organizations, or (iii) other supporting organizations that also support or benefit one or more of the filing organization's supported organizations? If "Yes," provide detail in Part VI.
- 7 Did the organization provide a grant, loan, compensation, or other similar payment to a substantial contributor (as defined in section 4958(c)(3)(C)), a family member of a substantial contributor, or a 35% controlled entity with regard to a substantial contributor? If "Yes," complete Part I of Schedule L (Form 990).
- 8 Did the organization make a loan to a disqualified person (as defined in section 4958) not described on line 7?

  If "Yes." complete Part I of Schedule L (Form 990).
- 9a Was the organization controlled directly or indirectly at any time during the tax year by one or more disqualified persons, as defined in section 4946 (other than foundation managers and organizations described in section 509(a)(1) or (2))? If "Yes," provide detail in Part VI.
- **b** Did one or more disqualified persons (as defined on line 9a) hold a controlling interest in any entity in which the supporting organization had an interest? If "Yes," provide detail in **Part VI.**
- c Did a disqualified person (as defined on line 9a) have an ownership interest in, or derive any personal benefit from, assets in which the supporting organization also had an interest? If "Yes," provide detail in Part VI.
- 10a Was the organization subject to the excess business holdings rules of section 4943 because of section 4943(f) (regarding certain Type II supporting organizations, and all Type III non-functionally integrated supporting organizations)? If "Yes," answer line 10b below.
  - **b** Did the organization have any excess business holdings in the tax year? (Use Schedule C, Form 4720, to determine whether the organization had excess business holdings.)

Par	Tiv Supporting Organizations (continued)		
		Yes	No
11	Has the organization accepted a gift or contribution from any of the following persons?		
а	A person who directly or indirectly controls, either alone or together with persons described on lines 11b and		
	11c below, the governing body of a supported organization?	3	
	A family member of a person described on line 11a above?	)	
С	A 35% controlled entity of a person described on line 11a or 11b above? If "Yes" to line 11a, 11b, or 11c, provide		4
	detail in Part VI.		
Sec	tion B. Type I Supporting Organizations	1	_
		Yes	No_
1	Did the governing body, members of the governing body, officers acting in their official capacity, or membership of one or		
	more supported organizations have the power to regularly appoint or elect at least a majority of the organization's officers, directors, or trustees at all times during the tax year? If "No," describe in <b>Part VI</b> how the supported organization(s)		
	effectively operated, supervised, or controlled the organization's activities. If the organization had more than one supported		
	organization, describe how the powers to appoint and/or remove officers, directors, or trustees were allocated among the		
_	supported organizations and what conditions or restrictions, if any, applied to such powers during the tax year.		
2	Did the organization operate for the benefit of any supported organization other than the supported		
	organization(s) that operated, supervised, or controlled the supporting organization? If "Yes," explain in		
	Part VI how providing such benefit carried out the purposes of the supported organization(s) that operated,		
<u>Sac</u>	supervised, or controlled the supporting organization. 2 tion C. Type II Supporting Organizations		
<u> </u>	tion 6. Type it supporting Organizations		Τ
_	Ways a spaintiful of the comparisor to direct one out to obtain a the target of the direct one	Yes	No
1	Were a majority of the organization's directors or trustees during the tax year also a majority of the directors		
	or trustees of each of the organization's supported organization(s)? If "No," describe in Part VI how control		
	or management of the supporting organization was vested in the same persons that controlled or managed		
Sec	the supported organization(s). tion D. All Type III Supporting Organizations		
		Yes	No
1	Did the organization provide to each of its supported organizations, by the last day of the fifth month of the	163	140
•	organization's tax year, (i) a written notice describing the type and amount of support provided during the prior tax		
	year, (ii) a copy of the Form 990 that was most recently filed as of the date of notification, and (iii) copies of the		
	organization's governing documents in effect on the date of notification, to the extent not previously provided?		
2	Were any of the organization's officers, directors, or trustees either (i) appointed or elected by the supported		
_	organization(s) or (ii) serving on the governing body of a supported organization? If "No," explain in Part VI how		
	the organization maintained a close and continuous working relationship with the supported organization(s).		
3	By reason of the relationship described on line 2, above, did the organization's supported organizations have a		
•	significant voice in the organization's investment policies and in directing the use of the organization's		
	income or assets at all times during the tax year? If "Yes," describe in <b>Part VI</b> the role the organization's		
	supported organizations played in this regard.		
Sec	tion E. Type III Functionally Integrated Supporting Organizations	•	
1	Check the box next to the method that the organization used to satisfy the Integral Part Test during the year (see instructions).		
а	The organization satisfied the Activities Test. Complete line 2 below.		
b	The organization is the parent of each of its supported organizations. Complete line 3 below.		
С	The organization supported a governmental entity. Describe in Part VI how you supported a governmental entity (see instructions)	ion <u>s).</u>	
2	Activities Test. Answer lines 2a and 2b below.	Yes	No
а	Did substantially all of the organization's activities during the tax year directly further the exempt purposes of		
	the supported organization(s) to which the organization was responsive? If "Yes," then in Part VI identify		
	those supported organizations and explain how these activities directly furthered their exempt purposes,		
	how the organization was responsive to those supported organizations, and how the organization determined		
	that these activities constituted substantially all of its activities.		
b	Did the activities described on line 2a, above, constitute activities that, but for the organization's involvement,		
	one or more of the organization's supported organization(s) would have been engaged in? If "Yes," explain in		
	Part VI the reasons for the organization's position that its supported organization(s) would have engaged in		
	these activities but for the organization's involvement.		
3	Parent of Supported Organizations. Answer lines 3a and 3b below.		
а	Did the organization have the power to regularly appoint or elect a majority of the officers, directors, or		
	trustees of each of the supported organizations? If "Yes" or "No" provide details in Part VI.		_
b	Did the organization exercise a substantial degree of direction over the policies, programs, and activities of each		
	of its supported organizations? If "Yes." describe in Part VI the role played by the organization in this regard.

OUR ORGANIZATION. PRIOR TO THE PANDEMIC, SDCDM RELIED ON EARNED INCOME

FROM DAILY ADMISSIONS AND MEMBERSHIPS, CONTRIBUTING TO 40% OF OUR

OPERATING BUDGET. BETWEEN MARCH 2020 AND APRIL 2021, THE MUSEUM CLOSED

ITS DOORS TO IN-PERSON VISITS AND IMMEDIATELY PIVOTED TO PROVIDING

VIRTUAL AND DISTANCE-LEARNING PROGRAMS. IT WAS WHEN WE FULLY REOPENED

THE MUSEUM IN JULY 2021 THAT WE COULD BEGIN REBUILDING OUR REVENUE AND

EDUCATIONAL OFFERINGS. SINCE REOPENING, WE HAVE REBUILT OUR VISITOR

SERVICES AND EDUCATION TEAMS AND ARE INTENTIONALLY GROWING OUR

FUNDRAISING STAFF IN ORDER TO INCREASE OUR CONTRIBUTED REVENUE.

THIS PAST FISCAL YEAR, WE HAVE RETURNED TO OFFERING MOST OF THE SAME

ACTIVITIES THAT THE MUSEUM OFFERED BEFORE THE PANDEMIC, INCLUDING

LHA For Paperwork Reduction Act Notice, see the Instructions for Form 990 or 990-EZ.

CURRICULUM-ALIGNED WORKSHOPS, EXHIBITS, AND DAILY PROGRAMS FOR VISITORS

ONSITE, A SCHOOL FIELD TRIP PROGRAM, OFF SITE VISITS THROUGH OUR MOBILE

CHILDREN'S MUSEUM AND ROOTS SERIES PROGRAM, CAMPS DURING SCHOOL BREAKS,

SPECIAL EVENTS, AND AFTER-SCHOOL AND SUMMER SCHOOL PROGRAMS.

FORM 990, PART III, LINE 3, CHANGES IN PROGRAM SERVICES:

THE MUSEUM HAS RETURNED TO OFFERING ALL OF THE SAME ACTIVITIES OFFERED

PRIOR TO THE PANDEMIC; HOWEVER, DUE TO TRANSPORTATION CHALLENGES, OUR

MOBILE CHILDREN'S MUSEUM PROGRAM HAS DRAMATICALLY EXPANDED, AND WE HAVE

NEEDED TO REDUCE THE NUMBER OF ONSITE FIELD TRIPS. SINCE RE-OPENING, WE

BEGAN OFFERING TWICE-MONTHLY SENSORY FRIENDLY SUNDAYS THAT ACCOMMODATE

THE NEEDS OF CHILDREN WITH EXCEPTIONALITIES, MONTHLY FUN ANIMAL FRIDAY

EVENTS, AND WE ARE DELIVERING STEM ACTIVITY KITS IN PARTNERSHIP WITH

LOCAL SERVICE ORGANIZATIONS.

FORM 990, PART III, LINE 4A, PROGRAM SERVICE ACCOMPLISHMENTS:

ABILITIES, AND PHYSICAL WELL-BEING FROM THE EARLIEST CHILDHOOD YEARS

WHEN IT MATTERS THE MOST. MOBILE WORKSHOPS FOCUS ON STEM AND

SOCIAL-EMOTIONAL SKILLS AND ALIGN WITH PRESCHOOL LEARNING FOUNDATIONS.

RESEARCH SHOWS THAT CHILDREN WHO ENGAGE IN HIGH-QUALITY EARLY CHILDHOOD

EDUCATIONAL ENRICHMENT ACTIVITIES LIKE THOSE OFFERED BY SDCDM ARE MORE

LIKELY TO ACHIEVE POSITIVE OUTCOMES IN THE LONG RUN. SDCDM EDUCATIONAL

PROGRAMS AIM TO HELP CLOSE THE ACHIEVEMENT GAP, PREPARE TODDLERS FOR

KINDERGARTEN, REMOVE TRANSPORTATION BARRIERS, AND IMPROVE HEALTH

OUTCOMES FOR ALL PARTICIPATING CHILDREN.

OVER THE YEARS, SDCDM HAS COLLECTED TESTIMONIALS, FEEDBACK, AND SURVEYS

Schedule O (Form 990) 2021 Page 2

**Employer identification number** Name of the organization SAN DIEGO CHILDREN'S DISCOVERY MUSEUM 33-0912735 FROM THE COMMUNITY WHO CITE THAT OUR FUN, SAFE, AND INCLUSIVE MUSEUM HAS BEEN LIKE A SECOND HOME FOR LOCAL FAMILIES. RESPONDENTS FREQUENTLY MENTION THAT THEY ARE VERY IMPRESSED WITH OUR STAFF AND FEEL STRONGLY THAT SDCDM IS HIGHLY ACCESSIBLE, FOCUSED ON COOPERATIVE PLAY, AND CONTRIBUTES TO EARLY SKILLS AND BRAIN DEVELOPMENT. TEACHERS OFTEN EXPRESS THEIR GRATITUDE FOR SDCDM EDUCATIONAL PROGRAMS AND NOTE THAT WITHOUT US, STUDENTS AT THEIR SCHOOLS WOULD NOT RECEIVE ACCESS TO MUCH-NEEDED STEM RESOURCES AND SUPPLEMENTAL EDUCATIONAL EXPERIENCES. DURING AN ALREADY CHALLENGING TIME WHERE FAMILIES HAVE EVEN FEWER RESOURCES THAN EVER AND ARE AT GREATER RISK OF MARGINALIZATION, SDCDM SEEKS TO BRIDGE THE GAP IN EDUCATIONAL ATTAINMENT AND ACCESS BY PROVIDING STUDENTS IN SAN DIEGO WITH HIGH-QUALITY, HANDS-ON EARLY STEM

THIS PAST FISCAL YEAR, THE MUSEUM SERVED OVER 57,000 CHILDREN AND

FAMILIES ONSITE AND OVER 7,000 CHILDREN THROUGH OUR MOBILE CHILDREN'S

MUSEUM. WE PROVIDED ACCESS FOR ALL ADMISSIONS OR MEMBERSHIP TO 668

PATRONS, HOSTED 37 ONSITE SPECIAL EVENTS, INCLUDING FUN ANIMAL FRIDAY,

BABY STORYTIMES, AND KPBS KIDS EVENTS, AND DISTRIBUTED 7,520 STEM

ACTIVITY KITS. 1,109,901 PEOPLE WERE REACHED THROUGH DIGITAL PLATFORMS:

642,497 THROUGH SOCIAL MEDIA, 342,608 THROUGH WEBSITE INTERACTIONS, AND

124,796 THROUGH VIRTUAL PROGRAMMING. THREE NEW EXHIBITS WERE OFFERED,

INCLUDING MAGNIFICATION STATION, HEALTHCARE HEROES, AND LEARNING

GROUNDS.

ADDITIONAL ACCOMPLISHMENTS IN THE PAST FISCAL YEAR INCLUDE:

-SUCCESSFULLY RE-OPENING THE MUSEUM FOLLOWING A LENGTHY PANDEMIC

SHUTDOWN.

C6	Mobile Scholarships	In academic year 2024-2025 SDCDM aims to provide approximately 13,000 children with mobile educational workshop scholarships. On average, each workshop costs approximately \$500 @ \$19 per student. Funds from Fallbrook Regional Health District Foundation will be restricted for use throughout the year for students schools and community groups in Fallbrook. The Scholarships fully cover workshop supplies, vehicle maintenance, mileage, staff time for facilitating and preparing for workshops, and curriculum development.
