## PARTICIPANT SUCCESS STORY

### Participant Success Story:

Dawnette and her infant grandson, Taylor, pick up food at the pantry every week. Dawnette learned she was a grandmother when Taylor was four days old and got a call from the hospital, because her grandson was born addicted to Fentanyl. Dawnette was given the opportunity to be her emergency caretaker. She is now in the process of becoming Taylor's legal guardian. The only reason Dawnette is able to get by is because her boyfriend is allowing them both to stay with him rent free...but her budget just doesn't account for food...so she comes to FFP for assistance.
