

2024 No-Cost Behavioral Health Services Serving All Cancers

Michelle's Place Department of Behavioral Health is pleased to offer no cost, professional counseling services for individuals, couples, and families impacted by a cancer diagnosis. These counseling sessions are provided by advanced graduate students enrolled in Marriage and Family Therapy, Clinical Counseling and Social Work programs, under the clinical supervision of Shanda Brennan, MSW, LCSW.

These counseling sessions typically address the following concerns:

- Depression and anxiety
- Traumatic stress
- Grief and loss
- Couples and family issues
- Self-esteem issues
- Relational concerns
- Life transitions
