Organization's Mission Statement

The mission of the Fallbrook Senior Center is to promote healthy aging, independence and the well-being of active, older adults in the communities we serve. We will provide programs and services which support the dignity and enrichment of life for seniors fifty (50) and above.

Organization's Vision Statement

The vision of the Fallbrook Senior Center is to transform the experience of aging for the families and Community of Fallbrook through the development of a new, vibrant, and inclusive Center and bridging multicultural and generational gaps while enriching the well-being and longevity of our members and their families.

Organization History & Accomplishments

The Fallbrook Senior Center started a nutrition program in 1978 and the program has been in continuous operation since that time. In 2020 at the outbreak of COVID-19, the Fallbrook Senior Center immediately adapted the Congregate (restaurant-style) Meal program to a Meals-to-Go program that was offered with curbside delivery to maintain social distancing. Although socialization was curtailed, meals were provided to alleviate food insecurity for older adults in the community. The Meals-to-Go program was in place from March 2020 through November 2021. During the past few years, the Senior Center has strived to provide a variety of musical entertainment during meal periods to enhance the dining experience and encourage socialization. One such event has been our annual celebration of Mexico's Independence Day on September 16th. A mariachi band was brought in and the public was invited, even if they didn't partake of the meal, just to enjoy the entertainment and enhance socialization. Beginning January 2024, the age of eligibility was lowered from 60 to 50 years old and above who may now enjoy a hot, nutritious, freshly prepared meal for the low cost of just \$5.00. The Nutrition Program includes restaurant-style meals for any older adult (50+) in our District communities.

Describe the impact of the program to date. Briefly explain how the service/intervention has worked - include cumulative metrics from the Q1 and Q2 Impact reports.

In line with our objectives, The Fallbrook Senior Center has been providing approximately 39 meals daily, five days a week, free of charge, to seniors aged 60 and above, creating a communal environment that encourages social interaction. During the first half of this fiscal year, we distributed a total of 4,649 meals to seniors, and 258 residents of the Health District derived direct benefits from our Congregate Meal Program. Furthermore, we conducted multiple educational sessions, facilitated by nursing students from Cal State San Marcos, covering important subjects like Eye Health for Diabetes, Foods that Lower Cancer Risk, Healthy Habits to protect your Heart Health, and the advantages of staying adequately hydrated. Blood pressure and glucose checks are also provided by the nursing students. Additionally, we organized an enjoyable Fiesta featuring a Mariachi Band to commemorate Mexican Independence Day. Special holiday lunches were offered for Thanksgiving, Christmas and New Years, all with entertainment and lots of give-aways. We have monthly birthday celebrations with music, and lunch every Friday is enjoyed with music as well.

If this program was previously funded, please provide an example of how the District's funding of this program was acknowledged.

Program/Services Description - Social Determinants of Health

Economic Stability (Employment, Food Insecurity, Housing Instability, Poverty)

Neighborhood & Built Environment (Access to Foods that Support Healthy Eating Patterns, Crime and Violence, Environmental Conditions, Quality of Housing)

Social Determinants of Health - Economic Stability

The Fallbrook Senior Center Nutrition Program addresses the Food Insecurity element of the SDOH Economic Stability. The congregate meals provided through the Nutrition Program are substantial, have a high nutritional value, and are available five days a week to help lessen the food insecurity of older adults in our community. Participation in the program not only reduces food insecurity, it offers the benefits of healthy aging, improved quality of life through good nutrition, a clean environment with a friendly staff that fosters socialization, and the ability for our clients to remain in their homes as is safely possible. Our Nutrition Program will improve the long-term health and the well-being of older adults within our community.

Social Determinants of Health - Neighborhood and Built Environment

The Fallbrook Senior Center Nutrition Program addresses the element of Access to Foods that Support Healthy Eating Patterns as part of the SDOH Neighborhood & Built Environment. The lunchtime meals provided through the Nutrition Program are substantial, have a high nutritional value, and are available five days a week to provide the older adults in our community with near daily access to foods that support healthy eating patterns. The program offers a variety of foods as well as preparation with a focus on good nutrition that includes a suitable proportion of protein, fruits, vegetables, grains, and dairy. The monthly menu strives to demonstrate to our participants healthy eating patterns that are necessary to promote healthy aging, independence and well-being. The Nutrition Program supports the dignity and enrichment of life for older adults in the communities we serve by providing access to foods that support healthy eating patterns.

Statement of Need/Problem

A study by the San Diego Hunger Coalition estimates that, as of June 2023, nearly 1 in 4 (24%) San Diegans experience nutrition insecurity. The area researched includes Fallbrook, Bonsall, and Rainbow (the FRHD). "Out of the 790,000 total people estimated to be nutrition insecure in San Diego County, 202,000 of them are children, 161,000 are older adults (age 60+), and 134,000 of them are living with disabilities"

https://www.sandiegohungercoalition.org/research. Food insecurity means that little or no food is available at home, and those who are food insecure do not know how they will get their next meal. The US Census reports Fallbrook's population in 2020 at 32,267, of which 17.8% are age 65 or better, an increase of almost 4% over the past ten years. In Bonsall, the 65+ population is 22% and in Rainbow, 29% are age 65 or better. Moreover, the Hispanic population in Fallbrook has grown to 51% as of 2020. This is important to note as research by the San Diego Hunger Coalition reports that nutrition insecurity disproportionately impacts people of color, specifically at a rate of 50% for Hispanic/Latino, the largest disparity by race/ethnicity in our region.

Working to alleviate food insecurity for older adults in our District is critical, and equally important is reducing isolationism that can be similarly harmful. The socialization provided by a congregate meal program addresses both important issues. Large-scale studies by the American Counseling Association suggest that the quality and quantity of meals, as well as the

social setting are extremely valuable in decreasing the risk for depression, benefiting mental and emotional health, and enhancing long-term, positive brain function. Two of the people served by the Nutrition Program reinforce the above research: "After COVID, many of my mom's loved ones passed away and she fell into a depression; she didn't eat, she stopped walking and she often seemed fatigued and unhappy. I found this [Senior Center lunch] program and began taking her every day and I was so happy to see my mom begin to become herself and have more of a hunger for life and regain the appetite she had lost. To this day, she wakes up and immediately looks forward to going to the Senior Center lunch where she sees the many friends she has made and gets out of the house for a few hours. When she's here at home, she hardly has an appetite and it's hard to get her to finish her food, but when I take her to the senior lunch, she finishes all her meals, has a few laughs with friends and is happy the rest of the day. There's definitely a difference in her when we go to the senior lunch and when we miss a day; it's the puzzle piece that completes her day. I hope you find it in your heart to keep this program because it truly is what has been the saving grace for my mother and many of her friends there." Dalila R. and Dalila M.

How are other organizations addressing this need in the community?

The Fallbrook Senior Center is the <u>only</u> organization in our District that provides daily, freshly prepared meals to older adults in an environment strongly encouraging socialization. The Fallbrook Food Pantry delivers to their senior clients one box each week containing fresh foods, canned, and dry goods that they must prepare themselves. Meals on Wheels delivers hot meals daily to customers for a fee. These other providers offer a brief wellness check during delivery, but **NONE** offer important, extended socialization. Our Nutrition Program provides older adults a hot, nutritious lunch daily. The Food Pantryoffers a good complimentary program for just a few meals during the week (ex. breakfast) at no cost to their clients. Our District has over 1,700 nutrition-insecure older adults. FSC does not have the capacity to feed that many older adults; we must all work together to meet their need for food.

Program/Services Description - Program Entry & Follow Up

Introduction to our Nutrition Program happens through various channels. Fallbrook Senior Center members receive *The Chronicle*, our once-a-month newsletter that features the monthly menu and details of special lunchtime events. We also share updates on Instagram and Facebook. Anyone searching online for "senior lunch in Fallbrook" will find our website offering program information. Additionally, The Foundation for Senior Care distributes our flyers to potential clients. Most importantly, is by positive testimonials from our participants: "I have visited 2 [senior centers] in northern California and several more in San Diego and Riverside counties. This [Fallbrook] is the very best center I have found. For me, cooking at home is almost out of the question – with my "one good meal a day" motto, lunch fits perfect and healthytoo! The daily salad is Great! Always fresh and with extras – chick peas, beets, nuts." *Anonymous*

When an individual attends the Nutrition Program for the first time, they complete an Intake Form that includes personal contact information and their birth date.

Once a week, nurses and nursing students from Cal State San Marcos provide nutrition and health training for all attendees of the senior lunch meal. In addition, a personal wellness check is provided for those meal recipients who are interested. The wellness check includes private, one-on-one consultations with a nurse who monitors blood pressure, temperature, and, if necessary, glucose, while encouraging clients to ask questions about health-related issues. During this time, the nurse will review the training materials being provided to encourage adherence to healthy nutrition recommendations.

Program/Services Description - Program Activities

At the heart of the Fallbrook Senior Center lies a compassionate mission: to extend a helping hand to older adults facing food insecurity. Each weekday,

we open our doors to offer more than just food; we provide warm, freshly prepared meals served with a side of companionship and care, all at the low cost of \$5 to those aged 50 and above. The very low-cost of our three-course meals coincides with our desire to ease the burden on those with limited budgets, ensuring they can prioritize their needs without worrying about where their next meal will come from. This is one way the Fallbrook Senior Center is able to support the dignity and enrichment of life for the older adults in our District.

Within our welcoming restaurant-style setting, older adults find more than just nourishment; they discover a vibrant community eager to embrace them. As they gather around tables set for shared enjoyment, laughter, and connection, they forge friendships that brighten their days and lift their spirits. In a world where loneliness can weigh heavily, especially in the aftermath of challenging times like the pandemic, our Center serves as a beacon of warmth and inclusion, reminding older adults they are never alone.

We understand the importance of independence for our seniors, but we also recognize the dangers of isolation. That's why we go the extra mile to encourage social interaction, knowing that a simple conversation over a meal can work wonders for both physical and emotional well-being. As one participant aptly said, "The Fallbrook Senior Center lunch program creates an environment that fosters social connections and friendships. The psychological benefits of meeting and conversing with new people every week should not be overlooked. This opportunity to connect with others has brought immense joy and vitality to my life. It has also played a significant role in preserving my youthfulness by keeping me socially engaged and fulfilled." *Jack K.*

To stimulate learning and dialogue, our Nutrition Program hosts "Lunch and Learn" sessions bi-monthly, featuring guest speakers covering engaging topics, along with "Doc Talk" sessions where medical experts delve into health issues and field questions.

To further support the health and well-being of our older adults, we're pleased to partner with students from Cal State San Marcos School of Nursing to provide weekly sessions on nutrition and health conducted during the mealtime. These sessions are more than just educational; they're a chance for older adults to learn, grow, and thrive together. From budget-friendly shopping tips to easy exercises that can be done at home, our goal is to empower older adults with the knowledge and tools they need to live their best lives, long after the last bite of lunch.

At the Fallbrook Senior Center, we believe in the power of food to nourish not just bodies, but also spirits. With every meal shared and conversation exchanged, we're reminded of the profound impact of kindness and compassion when we come together.

The Nutrition Program aims to reduce both food insecurity and social isolation among older adults by offering nutritious meals, entertainment, and activities

Program Goal

among older adults by offering nutritious meals, entertainment, and activities in a communal setting. Targeting individuals aged 50 and above, the program anticipates serving approximately 50 meals daily, and, while this number is not as high as we would like, each meal is important to the recipient. By providing a very low-cost meal in a socially interactive environment, the program endeavors to draw older adults out of their homes and into the Program, fostering socialization and reducing isolation and food insecurity. Various activities such as music sessions, intergenerational events, 'Doc Talk', 'Lunch & Learn' sessions, and visits from nursing students are incorporated to stimulate conversation and cultivate social connections. In this grant cycle, the program aims to consistently provide 50 meals each weekday within a socially enriched atmosphere that reduces food insecurity and social isolation among older adults.

Program Objectives & Measurable Outcomes

The primary objective of the Nutrition Program is to increase participation among older adults, thereby reducing food insecurity within our Health District. In this grant cycle, our aim is to surpass the number of meals served in the previous year. The very low-cost of our three-course meals are tailored to draw more older adults out of their homes and into the Program by easing the burden on those with limited budgets, ensuring they can prioritize their needs without worrying about where their next meal will come from. By achieving this, the Fallbrook Senior Center contributes to enhancing the dignity and quality of life for older adults in our community. Success is measured by the increased engagement of older adults in our program.

The Nutrition Program also serves as a social location for older adults, fostering a welcoming atmosphere during lunchtime gatherings. Our restaurant-style setup encourages interaction and combats isolation by providing a platform for meaningful connections. The socially interactive environment is designed to draw older adults out of their homes and into the Program, nurturing socialization and reducing isolation. As they gather around tables set for shared enjoyment, laughter, and connection, they forge friendships that brighten their days and lift their spirits. Fused into the lunchtime environment are various forms of music, intergenerational events, educational sessions with Doc Talk and Lunch & Learn, and visits from nursing students all designed to stimulate conversation and cultivate social connections. As we survey those participating in the Nutrition Program, we can gauge the level of satisfaction with the social activities. Feedback from participants underscores their pleasure with these social initiatives. A recent survey prompted appreciation from a lunchtime guest, "I also enjoy all the extra programs too – especially the live music. I have met so many nice people. Thanks so much." Another participant offered praise, "A great service to have the nurses and healthcare 'come to us'!! Appreciate it. They are very kind, understanding and patient. The B.P. [blood pressure] checks are a great help!" Connie M. As we continue to enhance the social aspect of the Nutrition Program, we anticipate a rise in daily participation from the current average of 39 attendees, reflecting its positive impact on reducing social isolation among older adults in our community.

Organization Collaborations

- a. One of our most valued partnerships is with the Fallbrook Regional Health District. The FRHD has been a vital resource during COVID-19 for information and services as well as supplies to keep our staff and clients safe. FRHD has facilitated collaboration with other grantees that has fostered relationships we might not otherwise have. FRHD has connected us with groups such as PACE and Southern California Alzheimer's Association who we then scheduled to present to members of our organization.
- b. The San Diego County Aging and Independence Services (AIS), the Fallbrook Community Center, and the Fallbrook Senior Center have been collaborating over the past year to provide intergenerational activities before, during and after the Congregate meal. The goal is to have youth and older adults participate in activities together. These activities might include the youth providing singing or entertainment during the meal time. Or, after lunch, the older adults help the youth make a craft that they can take home. Before lunch, a team of older adults taught over 15 youths how to play pickleball. After lunch, the youth and adults watched a "Wild Wonders" animal show together.
- c. We are collaborating with the Foundation for Senior Care to bring relevant presenters to our Congregate Meal program. One such event was with Kaiser Permanente promoting their mobile health unit.
- d. A long-time collaboration with students from Cal State San Marcos School of Nursing creates nutrition and health education materials that are presented and distributed to all meal recipients on a weekly basis. A personal wellness check is provided for those meal recipients who are interested.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Fallbrook Senior Citizen's Service Club

Opinion

We have audited the accompanying financial statements of Fallbrook Senior Citizen's Service Club (a nonprofit organization), which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Fallbrook Senior Citizen's Service Club as of June 30, 2023, and the changes in net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Fallbrook Senior Citizen's Service Club and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Fallbrook Senior Citizen's Service Club's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Fallbrook Senior Citizen's Service Club's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Fallbrook Senior Citizen's Service Club's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited Fallbrook Senior Citizen's Service Club's June 30, 2022 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated September 8, 2022. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2022, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Note 1 - Organization:

The Fallbrook Senior Citizen's Service Club (Senior Center) was incorporated on June 17, 1974 pursuant to the general non-profit corporation laws of the State of California. The specific purpose of the Senior Center is to provide a place where all senior citizens from Fallbrook, Bonsall, and Rainbow can find social interaction, recreation, learning opportunities, and nutritious meals in an environment that is comfortable and welcoming. Services provided by the Senior Center include a lunch program for both congregate and home delivery.

Approximately 32% of the Senior Center's support and revenue for the year ended June 30, 2023 is government funds passed through the County of San Diego and Fallbrook Healthcare District to support the Senior Center's senior lunch, home delivered meals, and transportation programs. Approximately 22% of the Senior's Center's support and revenue for the year ended June 30, 2023 is derived through employee retention tax credit from the Internal Revenue Service.

Note 2 - Significant Accounting Policies:

<u>Basis of Accounting:</u> The Senior Center accounting records and the accompanying financial statements are prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America whereby revenue is recognized when earned and expenses are recognized when incurred.

<u>Net Assets:</u> Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

The Senior Center reports contributions restricted by donors as increase in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increase in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. As of June 30, 2023, the Senior Center had \$108,109 of net assets with donor restrictions.

Notes to Financial Statements Year ended June 30, 2023

Note 2 - Significant Accounting Policies (continued):

<u>Income Tax Status:</u> The Senior Center is organized as California nonprofit corporations and has been recognized by the IRS as exempt from federal income taxes under IRC Section 501(a) as an organization described in IRC Section 501(c)(3), qualifies for the charitable contribution deduction, and has been determined not to be a private foundation. The Senior Center is annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS. In addition, it is subject to income tax on net income that is derived from business activities that are unrelated to the exempt purposes. The Senior Center has determined that it is not subject to unrelated business income tax and have not filed an Exempt Organization Business Income Tax Return (Form 990-T) with the IRS.

The Senior Center follows the provisions for accounting for uncertain tax positions. The Senior Center evaluates its tax positions to determine whether the tax positions are more likely than not of being sustained by the applicable tax authority. Tax positions not deemed to meet the more likely than not threshold are recorded as an expense in the applicable year. There are no amounts accrued in the financial statements related to uncertain tax positions for the year ended June 30, 2023.

<u>Cash and Cash Equivalents</u>: Cash and cash equivalents primarily include cash in banks and highly liquid investments with an original maturity of three months or less. Cash and highly liquid financial instruments restricted to long-term purposes are excluded from this definition. As of June 30, 2023, the Senior Center did not have any cash equivalents.

<u>Investments:</u> The Senior Center records investment purchases at cost, or if donated, at fair value on the date of donation. Thereafter, investments are reported at their fair values in the statement of financial position. Investment earnings are recorded net of custodial fees and investment advisory fees, if any.

<u>Promises to Give</u>: Unconditional promises to give that are expected to be collected within one year are recorded as a revenue at net realizable value. Unconditional promises to give expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discount on those amounts are computed using risk-adjusted interest rates applicable to the years in which the promises are received. Discount amortization is included in contribution revenue. Allowance for uncollectable promises to give is based on historical experience, an assessment of economic conditions, and review of subsequent collections. Promises to give are written off when deemed uncollectable.

<u>Inventories – Thrift Shop</u>: The Senior Center operates a thrift shop within its facilities. All sales from the thrift shop are from donated items. The Senior Center follows traditional non-profit accounting practices and records only the sale of the merchandise, rather than a contribution at the time the merchandise is donated. At the end of the year the value of the inventory is estimated based on turnover and retail value of the merchandise on hand.

Notes to Financial Statements Year ended June 30, 2023

Note 2 - Significant Accounting Policies (continued):

<u>Property and Equipment:</u> Property and equipment purchases greater than \$5,000 are recorded at cost or, if donated, at fair value on the date of donation. Depreciation is computed using the straight line method over the estimated useful life of each class of depreciable assets. Improvements to leased facilities are depreciated over the shorter of the estimated useful life or the remaining lease term. All contributions of property and equipment are considered to be available for unrestricted use unless specifically restricted by the donor. When assets are sold or otherwise disposed of, the cost and related depreciation are removed from the accounts, and any resulting gain or loss is included in the statement of activities. Costs of maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed.

The Senior Center has certain equipment loaned by the County of San Diego Aging & Independence Services and may have to be returned if the meals program is terminated. Loaned equipment is not included in the statement of financial position.

<u>Valuation of Long-Lived Assets</u>: In accordance with the provisions of the accounting pronouncement on accounting for the impairment or disposal of long-lived assets, the Senior Center reviews long-lived assets, including property and equipment, for impairment whenever events or changes in business circumstances indicate that the carrying amount of the assets may not be fully recoverable. Management has determined that no assessment was required for the year ended June 30, 2023.

<u>Fair Value Measurements:</u> The Senior Center measures fair value at the price that would be received upon sale of an asset, or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Authoritative guidance establishes a hierarchy for ranking the quality and reliability of the information used to determine fair values, requiring that assets and liabilities carried at fair value be classified and disclosed in one of the following three categories:

Level 1: Unadjusted quoted market prices for identical assets or liabilities in active markets.

Level 2: Unadjusted quoted market prices for similar assets and liabilities in active markets, unadjusted quoted prices for identical or similar assets or liabilities in markets that are not active, or inputs other than quoted prices that are observable for the asset or liability.

Level 3: Significant unobservable inputs for the asset or liability.

<u>Compensated Absences</u>: Unpaid employee leave benefits are recognized as liabilities of the Senior Center. As of June 30, 2023, the liability for accrued vacation is \$16,122.

<u>Recognition of Revenue:</u> Revenue from programs is recognized when earned. Program service fees and payments under cost-reimbursable contracts received in advance are deferred to the applicable period in which the related services are performed or expenditures are incurred, respectively.

Contributions are recognized when cash or other assets, an unconditional promise to give is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met.

Notes to Financial Statements Year ended June 30, 2023

Note 2 - Significant Accounting Policies (continued):

<u>Donated Services and In-Kind Contributions:</u> Donated services are recognized as contributions if services (a) create or enhance non-financial assets, or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Senior Center. During the year ended June 30, 2023, approximately 7,500 in volunteer service hours were donated to the Senior Center for program administration, fundraising, thrift shop, and similar. These hours do not qualify to be recorded in the financial statements. Contributed goods are recorded at fair value at the date of donation.

<u>Functional Expenses:</u> The costs of providing various services and other activities have been summarized on a functional basis in the statement of activities. The statement of functional expenses presents the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited. The expenses that are allocated include salaries and wages, payroll taxes, utilities, telephone, depreciation, and others which are allocated on the basis of estimates of time and effort.

<u>Estimates</u>: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates under different assumptions or conditions.

Comparative Financial Information: The comparative information from the previous year is included to provide a basis for comparison and presents summarized totals only. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States and should be read in conjunction with the Senior Center's financial statements for the year ended June 30, 2022 from which the summarized information was derived. Certain reclassifications have been made to the June 30, 2022 financial statements presentation to correspond to the current year's format. Net assets and changes in net assets are unchanged due to the reclassifications.

Adoption of New Lease Standard: In February 2016, FASB issued ASU No. 2016-02, Leases (Topic 842). FASB ASC 842 supersedes the lease requirements in FASB ASC 840. Under FASB ASC 842, lessees are required to recognize assets and liabilities on the balance sheet for most leases and provide enhanced disclosures. The Senior Center adopted FASB ASC 842, with a date of initial application of July 1, 2022, by applying the modified retrospective transition approach and using the additional (and optional) transition method provided by ASU No. 2018-11, Leases (Topic 842). The Senior Center did not restate prior comparative periods as presented under FASB ASC 840 and instead evaluated whether a cumulative effect adjustment to net assets as of July 1, 2022 was necessary for the cumulative impact of adoption of FASB ASC 842. The most significant effects of adopting FASB ASC 842 was the recognition of \$26,712 of operating lease ROU assets and a total of \$26,712 of lease liabilities on the balance sheet as of July 1, 2022. No cumulative effect adjustment to net assets as of July 1, 2022, was necessary. FASB ASC 842 did not have a significant effect on the results of operations or cash flows for the year ended June 30, 2023.

Notes to Financial Statements Year ended June 30, 2023

Note 2 - Significant Accounting Policies (continued):

Adoption of New Lease Standard (continued): For leases existing at the transition date, The Senior Center applied the package of three transition practical expedients and therefore did not reassess whether any existing arrangement is or contains a lease, did not reassess lease classification, and did not reassess what qualifies as an initial direct cost. Moreover, in accordance with the expedients, all leases classified as operating leases under previous U.S. GAAP are automatically classified as operating leases under the new standard, and all leases previously classified as capital leases are recorded as finance leases.

<u>Leases</u>: The Senior Center accounts for leases in accordance with FASB ASC 842. The Senior Center determines if an arrangement conveys the right to use an identified asset and whether the Senior Center obtains substantially all of the economic benefits from and has the ability to direct the use of the asset. The Senior Center recognizes a lease liability and ROU asset at the commencement date of the lease. Beginning July 1, 2022, operating lease ROU assets and related operating lease liabilities have been presented in the balance sheet.

A lease liability is measured based on the present value of its future lease payments. Variable payments are included in the future lease payments when those variable payments depend on an index or rate and are measured using the index or rate at the commencement date. Lease payments, including variable payments made based on an index rate, are remeasured when any of the following occur: (1) the lease is modified (and the modification is not accounted for as a separate contract), (2) certain contingencies related to variable lease payments are resolved, or (3) there is a reassessment of any of the following: the lease term, purchase options, or amounts that are probable of being owed under a residual value guarantee. The discount rate is the rate implicit in the lease if it is readily determinable; otherwise, the Senior Center uses the U.S. Treasury rate. The implicit rates of the Senior Center's leases are not readily determinable; accordingly, the Senior Center uses the U.S. Treasury rate based on the information available at the commencement date for each lease. Lease terms may include renewal or extension options to the extent they are reasonably certain to be exercised. A ROU asset is measured at the commencement date at the amount of the initially measured liability plus any lease payments made to the lessor before or after commencement date, minus any lease incentives received, plus any initial direct costs. Lease cost for lease payments is recognized on a straight-line basis over the lease term.

Note 3 - Promise to Give - County of San Diego:

The Senior Center leases its principal facilities under a forty year lease with the County of San Diego expiring April 30, 2026. Under the terms of the lease, the Senior Center will pay rent of \$1 for use of the land with the following stipulations: (1) the premises must be used for a community senior citizens center, and (2) the buildings and improvements are owned by the Senior Center while used, but will revert to the County of San Diego upon expiration of the lease or discontinuation of the agreed upon use, whichever comes first. The promise to give is recorded at the estimated remaining value of \$8,500 based on the managements original estimate of the fair rental value of the land at \$3,000 per year. For the year ended June 30, 2023, \$3,000 is recorded as rent expense.

Notes to Financial Statements Year ended June 30, 2023

Note 4 - <u>Investments:</u>

Money market deposits that are not used for operations are treated as investments due to their nature as long-term investments. The investments may fluctuate in value, are subject to market risk and are not insured. Market risk relates to the possibility that invested assets may experience loss due to prevailing market conditions. The Senior Center has adopted a diversified asset allocation policy to avoid undue concentration of risk. At June 30, 2023 investments consist of the following:

	_	Cost	Fair Value _
Fidelity Government Money Market	\$	34,478 \$	34,478
Mutual Funds		182,846	164,571
Exchange Traded Products		247,730	349,641
Stocks		170,923	296,981
Bonds		220,926	207,631
Other	_	9,107	6,788
Total	\$_	866,010 \$	1,060,090

Note 5 - Fair Value Measurements:

Fair values of assets measured on a recurring basis at June 30, 2023 are as follows:

			Significant	
			Other	Significant
		Listed	Observable	Unobservable
		FMV	Inputs	Inputs
	Fair Value	(Level 1)	(Level 2)	(Level 3)
Fidelity Government Money Market	\$ 34,478 \$	34,478 \$	\$	
Mutual Funds, Stocks, ETPs, Stocks, Bonds and Other	1,025,612	1,025,612		
Unconditional Promise to Give – County of				
San Diego – value of lease	8,500		-	8,500
Total Assets Measured at Fair Value	\$ 1,068,590 \$	1,060,090	S\$	8,500

Fair value of investments in equity securities are determined by reference to quoted market prices and other relevant information generated by market transactions. Fair rental value of unconditional promise to give from the County of San Diego (see Note 3), was valued at estimated fair value of the land in May 1986 and is classified as a Level 3 input because the Senior Center has not undertaken any effort to determine current fair market value.

Notes to Financial Statements Year ended June 30, 2023

Note 6 – <u>Property and Equipment</u>:

The Senior Center's depreciable property and equipment consist of facilities, office equipment, and vehicles. Depreciation has been calculated on straight line method over 5 to 40 years estimated useful lives. Depreciation expense was \$19,705 for the current year. As of June 30, 2023, fixed assets consisted of the following:

	Unrestricted Assets	Restricted Assets (Note 7)	Total Property and Equipment	Accumulated Depreciation	Net Book Value
Facilities	567,507	\$ 44,267 \$	611,774	\$ (518,820) \$	92,954
Office Equipment	29,752	16,009	45,761	(45,761)	*
Vehicles	15,100		15,100	(15,100)	-
Other Equipment	11,150		11,150	(11,150)	-
Total	623,509	\$ 60,276 \$	683,785	\$ (590,831) \$	92,954

Note 7 - Net Assets With Donor Restrictions:

The unconditional promise to give, for the value of future free rent, is included as net assets with donor restrictions. In addition, the County of San Diego has provided the Senior Center with several grants to purchase office equipment and repairs, and improvements throughout the Senior Center. If the Senior Center ceases to use the equipment, the property shall revert back to the County. As of June 30, 2023, net assets with donor restrictions are restricted for the following purposes:

Unconditional Promise to Give – Facilities (Note 3)	\$	8,500
Property and Equipment (Net of Accum. Depreciation, Note 6))	16,744
The Thrift Store Improvement/Expansion		47,165
Outreach and Donor Development Specialist		30,000
Tables and Chairs		5,700
TOTAL	\$	108,109

Net assets totaling \$50,090, were released from donor restrictions due to the satisfaction of purpose during the year ended June 30, 2023.

Notes to Financial Statements Year ended June 30, 2023

Note 8 – <u>Liquidity and Availability</u>:

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date, comprise the following:

Cash	\$ 262,406
Investments	1,060,090
Grants Receivable	11,658_
	1,334,154
Less amounts not available to be used within one year: Funds subject to donor-imposed restrictions	(108,109)
Financial assets available to meet general expenditures within	
one year	\$ 1,226,045

The Senior Center receives contributions with donor restrictions to be used in accordance with the associated purpose restrictions. The Senior Center must maintain sufficient resources to meet those responsibilities to its donors. Thus, financial assets may not be available for general expenditure within one year. As part of the Senior Center's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. The Senior Center invests cash in excess of daily requirements in money market funds, mutual funds, bonds and equity securities.

Note 9 - Employee Retention Tax Credit:

Under the recently enacted American Rescue Plan Act and previously under the Consolidated Appropriations Act, the Senior Center became eligible to apply for the employee retention tax credits (ERTC), a provision of the CARES Act. It can be claimed through December 31, 2021 by eligible employers who retained employees during the COVID-19 pandemic. Employers are eligible for the credit if they experienced either a full or partial suspension of operations during any calendar quarter because of governmental orders due to the pandemic or a significant decline in gross receipts based on comparing quarterly revenue results for 2020 and/or 2021 with the comparable quarter in 2019. The ERTC is a refundable credit that organizations can claim on qualified wages paid to employees, including certain health insurance cost. During the year ended June 30, 2023, the Senior Center received \$181,628 of ERTC from the Internal Revenue Service.

Notes to Financial Statements Year ended June 30, 2023

Note 10 – Lease Commitment:

In April 2001, the Senior Center signed an agreement with the Fallbrook Community Center for use of its kitchen and auditorium area for the Senior Center meal program. The Fallbrook Community Center is operated by the County of San Diego. This agreement is classified as an operating lease and has an original term of one year. The parties may extend the term of the agreement by written amendment signed by both parties which is reasonably certain of exercise until the end of the lease agreement of its principal facilities expiring April 30, 2026 (see Note3). Rent payments are \$600 per month payable to the County of San Diego. The conditions of this agreement become void if the County of San Diego discontinues its support of the meal program or if the Fallbrook Community Center is no longer operated by the County of San Diego. During the year ended June 30, 2023, the Senior Center paid \$7,200 in rent under the terms of this agreement.

Lease liability maturities as of June 30, 2023, are as follows:

Year Ended June 30,		
2024	\$	7,200
2025		7,200
2026		6,000
Total Lease Payments		20,400
Less: Present Value Adjustments	_	(492)
Present Value of Lease Liability	\$	19,908

The remaining lease term, including extension, and discount rate related to lease liability as of June 30, 2023 were 2.8 years and 1.63%.

Note 11 - Management's Review and Subsequent Events:

Management evaluated subsequent events through September 13, 2023, the date on which the financial statements were available to be issued. Management is not aware of any other subsequent events that would require adjustment to, or disclosure in, the financial statements.

Management Representation Letter

September 8, 2022

Sonnenberg & Company, CPAs 5190 Governor Drive, Suite 201 San Diego, CA 92122

This representation letter is provided in connection with your audit of the financial statements of Fallbrook Senior Citizen's Service Club, which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States (U.S. GAAP).

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of September 8, 2022, the following representations made to you during your audit.

Financial Statements

- 1) We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated May 18, 2022, including our responsibility for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP.
- 2) The financial statements referred to above are fairly presented in conformity with U.S. GAAP.
- 3) We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
- 4) We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
- 5) Significant assumptions we used in making accounting estimates, including those measured at fair value, are reasonable.
- 6) Related-party relationships and transactions have been appropriately accounted for and disclosed in accordance with U.S. GAAP.
- 7) All events subsequent to the date of the financial statements and for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed.
- 8) The effects of uncorrected misstatements are immaterial, both individually and in the aggregate, to the financial statements as a whole. A list of the uncorrected misstatements is attached to the representation letter.
- The effects of all known actual or possible litigation, claims, and assessments have been accounted for and disclosed in accordance with U.S. GAAP.
- 10) Material concentrations have been appropriately disclosed in accordance with U.S. GAAP.
- 11) Guarantees, whether written or oral, under which the Organization is contingently liable, have been properly recorded or disclosed in accordance with U.S. GAAP.

Information Provided

- 12) We have provided you with:
 - a) Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, and other matters.
 - b) Additional information that you have requested from us for the purpose of the audit.
 - Unrestricted access to persons within the Organization from whom you determined it necessary to obtain audit evidence.
 - d) Minutes of the meetings of the governing board or summaries of actions of recent meetings for which minutes have not yet been prepared.
- 13) All material transactions have been recorded in the accounting records and are reflected in the financial statements.
- 14) We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- 15) We have no knowledge of any fraud or suspected fraud that affects the Organization and involves:
 - a) Management,
 - b) Employees who have significant roles in internal control, or
 - c) Others where the fraud could have a material effect on the financial statements.
- 16) We have no knowledge of any allegations of fraud or suspected fraud affecting the Organization's financial statements communicated by employees, former employees, grantors, regulators, or others.
- 17) We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations whose effects should be considered when preparing financial statements.
- 18) We have disclosed to you all known actual or possible litigation, claims, and assessment whose effects should be considered when preparing the financial statements.
- 19) We have disclosed to you the identity of the Organization's related parties and all the related-party relationships and transactions of which we are aware.
- 20) The Organization has satisfactory title to all owned assets, and there are no liens or encumbrances on such assets nor has any asset been pledged as collateral.
- 21) We are responsible for compliance with the laws, regulations, and provisions of contracts and grant agreements applicable to us.
- 22) Fallbrook Senior Citizen's Service Club is an exempt organization under Section 501(C)(3) of the Internal Revenue Code. Any activities of which we are aware that would jeopardize the Organization's tax-exempt status, and all activities subject to tax on unrelated business income or excise or other tax, have been disclosed to you. All required filings with tax authorities are up-to-date.
- 23) In regard to the financial statement and tax preparation services performed by you, we have—
- · Assumed all management responsibilities.
- Designated an individual with suitable skill, knowledge, or experience to oversee the services.
- Evaluated the adequacy and results of the services performed.
- · Accepted responsibility for the results of the services.

FRHD CHC GRANT BUDGET INSTRUCTIONS

This file has a number of pre-formated pages. Those sections for auto calculations and set formats are shaded in grey and should not be altered. Please keep a copy of this document as it will be used as part of the grant reporting process

There are five tabs to this file:

- 1 Instructions
- 2 Program Budget Form
- 3 Funding History
- 4 Budget Narrative
- 5 Budget Reporting Form

1 Instructions:

All Yellow sections are to be filled out by the applicant. Grey sections will auto calculate and should not be edited by the applicant. All pages are formatted to print portrait, on 1 page.

2 Program Budget Form:

- > PROGRAM COST: This section should reflect the true and total costs of the program.
 - APPLYING ORGANIZATION: This is the applicant agency's investment in their program. This is
- > the value of the resources the agency will contribute to the program's cost. These may include funds from fundraising events, private donors, in-kind goods and services, and volunteer efforts.
- > OTHER FUNDERS: These are funds or resources provided from contracts, grants and partnerships that are used to support the program's operations.
- > REQUESTED FROM FRHD: This is the funding request you are putting forward to the District.
- The line item names may not fully align with your budget. Please edit those items to align with your budget. Explain those items on your Budget Narrative Form as necessary.

A INDIRECT EXPENSES:

This section is for expenses that are part of indirect operats of the program, necessary which may not be part of the direct service provision expenses (Adminsitration, facility expenses, general liability ins., etc.). Please refer back to the training materials for clarification of these expenses. The District will not consider funding more than 25% of these expenses

B PERSONNEL EXPENSES - PROGRAM SPECIFIC:

As stated, this section is for staffing expenses that are directly related to the provision of the services/program. Please list each position title separately, unless there are multiple of the same title then use (x3) as an indicator. For example, if funding salaries for four separate Drivers, you would indicate as, Driver (x4) and the expense amount would be the cost of all four Drivers.

C DIRECT PROGRAM EXPENSES:

This section is for supplies, items and or specific expenses related to the provision of the services/program. This may include phone, rent, prining, program related insurance (e.g., vehicle), trainings and cetifications.
